Future requests

Elite Alliance is a highly personalized exchange program with unique “request-driven” features. Many of our members make vacation deposits and request specific destinations and/or dates that are not currently available. There are two ways to request a vacation:

1. **Watch List:** You are able to add yourself to a list for any interested property to be notified of new availability. You may add two Watch List requests per deposited vacation. Watch List requests can span up to three months. You will be notified via email when a vacation meets your request parameters and have 24 hours to accept the vacation. If you are not interested in the match, it will be sent to the next member in line, and you’ll remain on the list for future matches. Notifications are sent in the order of when the request was created.

The screenshot displays the Elite Alliance website interface. At the top, the navigation bar includes the Elite Alliance logo, links for FIND VACATIONS, DESTINATIONS, TRAVEL PLANNING, BENEFITS, and START TOUR, along with a BALANCE section showing 155 Elite Credits and a user profile icon. The main content area is titled "Watch List" and features a sub-header: "Watch List requests: 9 used of your 22 available watch lists". Below this, a brief explanation states: "You may add two Watch List requests per deposited vacation. Watch List requests can span up to three months. You will be notified via email when a vacation meets your request parameters. Notifications are sent in the order that the requests are received." Three watch list items are displayed as cards, each with a property image, name, and watch dates (Jun - Jul 2020). The cards are: 1. "30A, SOUTH WALTON BEACHES" for "Equity Residences Platinum Fund Waters Edge"; 2. "CABO SAN LUCAS, MEXICO" for "Esperanza, An Auberge Resort"; 3. "NUEVO VALLARTA, MEXICO" for "Grand Luxxe at Vidanta Nuevo Vallarta". A fourth card is partially visible on the right: "Grand Luxxe at Vidanta Riviera Maya". At the bottom of the watch list section is a link: "Show all watch lists". On the right side, a user account menu is open, showing options: "My Account", "Upgrade", "My Trips", "Watch List & Requests" (circled in red), "Deposit", "Elite Credits", "Requests For My Property", and "Logout".

You also have the option to offer additional Credits, if available to you, to incentivize an owner to fulfill your request. Credits will be placed on hold pending a response. Once a request is submitted, an owner will be able to view your request through his or her Membership Account. Requests are also sent via email every Thursday at 10am EST, and members are given until the following Tuesday at 10am to respond. Your Credits will be returned to your account after 10am if the request is not fulfilled. You will be notified via email if your request is fulfilled whereby you will complete the exchange by paying the exchange fee. If your request is fulfilled, you are required to finalize the exchange.
