

## FRUTT FRACTIONS halves \& quarters <br> 教

## FREE!

color \& Gack and white

## INSTRUCTIONS

Print off the colour or black and white pages leaving the 'whole' pages intact and cutting around the 'half' and 'quarter' pages of fruit. Cut along the white lines to separate the halves and quarters. Place the 'whole' fruit mat in front of your child and give them the pieces / fractions you want them to work with. Place the separated pieces on top of the 'whole' fruit to see how they come together. Please note, these wholes and halves are approximate, not exact.
