# White PIANO KEYS

A great first introduction to white piano key names on small groups of keys and full 7-white key keyboards.

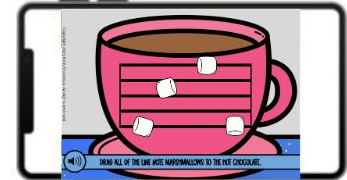

# Lines & Spaces ON THE STAFF

Drag all of the line or space note marshmallows (depending on the card) to the hot chocolate.

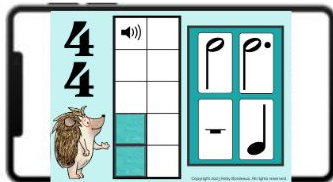

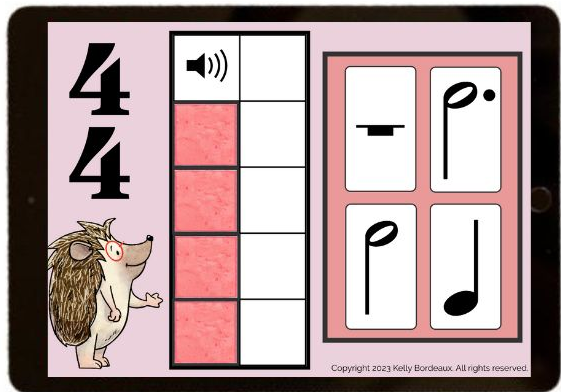

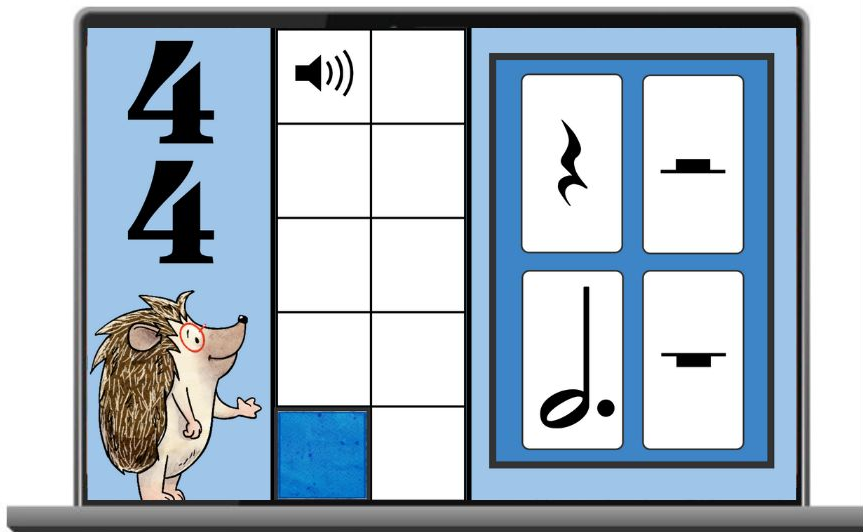

Students get lots of practice identifying lines and spaces!

28 cards included  
in this deck!

Includes 10 frame learning manipulatives that students already know well to review note & rest values.

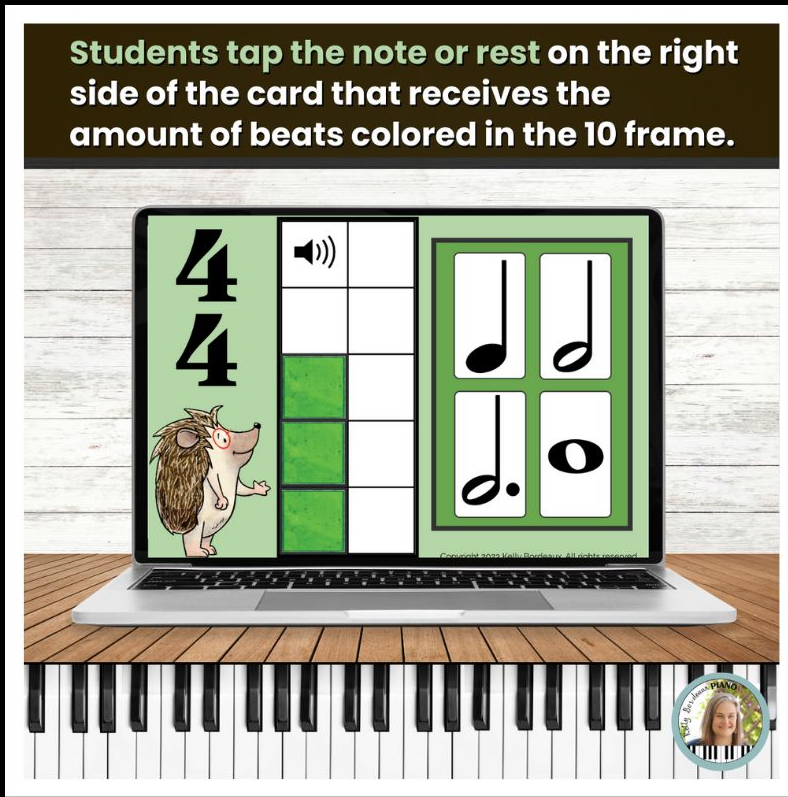

32 cards included  
in this deck

# Note & Rest VALUES

Students tap the note or rest on the right side of the card that receives the amount of beats colored in the 10 frame.

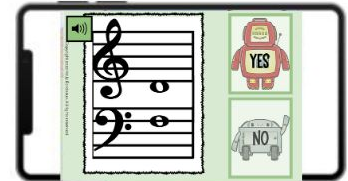

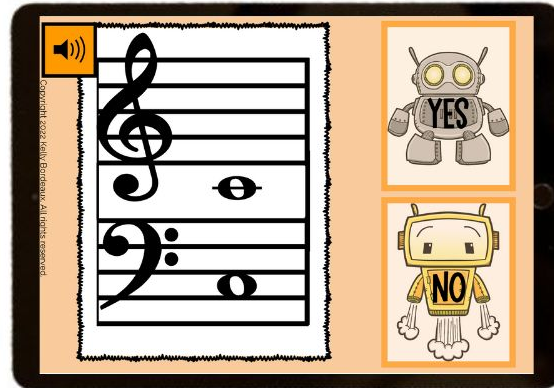

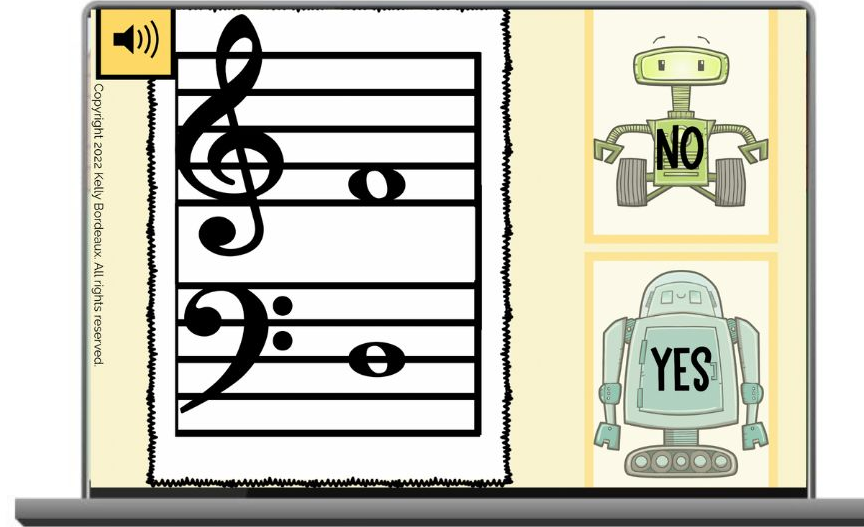

# Hands Together

# NOTE NAMES

Students use these digital flashcards to practice identifying if notes played at the same time are the same note or not.

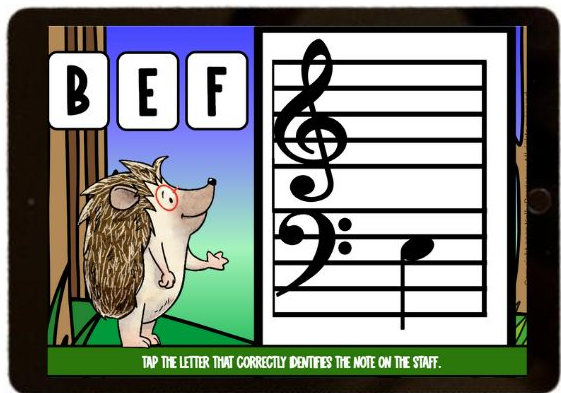

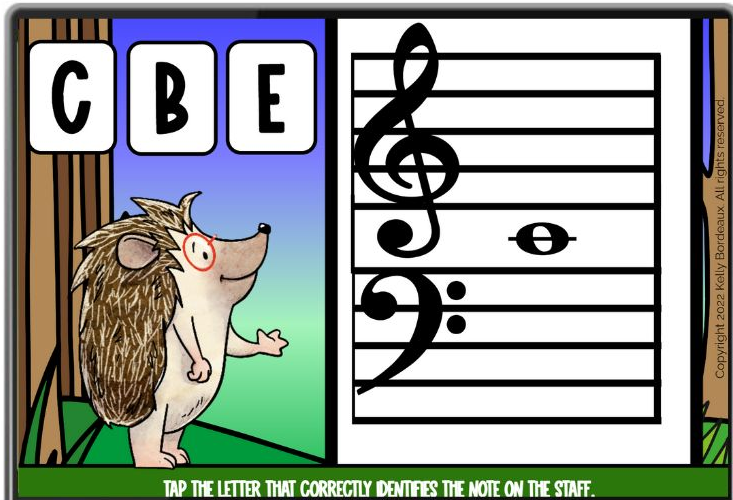

Students get rapid-fire cards & decide if the same note name is in treble & bass clef.

40 cards included  
in this deck!

Extensively review C position notes on the grand staff with these digital flashcards.

43 cards included  
in this deck

# Notes on the STAFF

Students use these digital flashcards to practice identifying notes on the grand staff in C position.

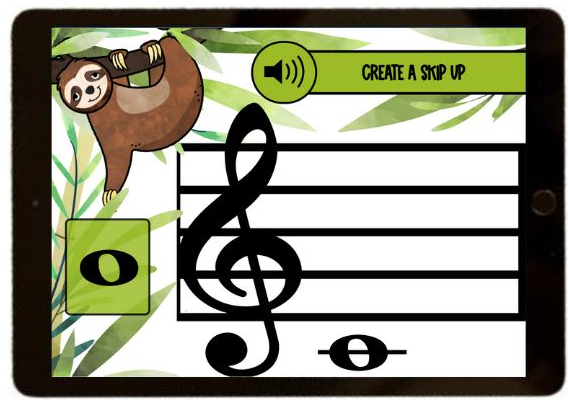

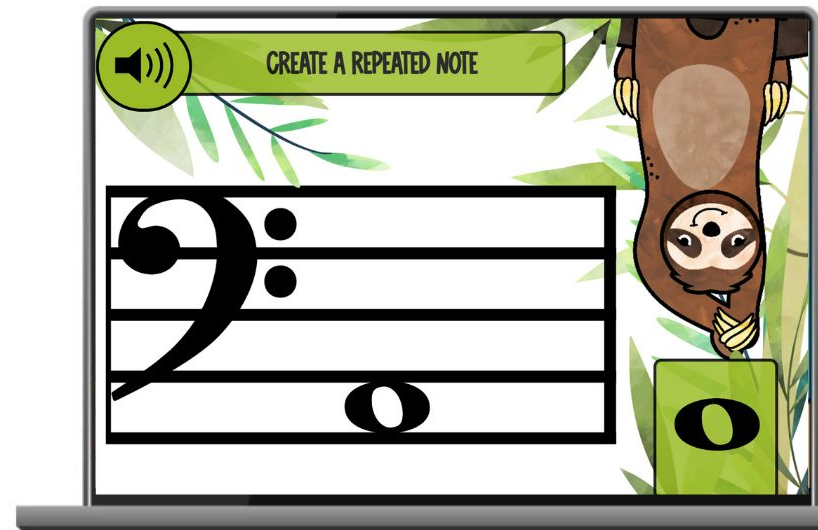

# Beginning INTERVALS

Students drag the whole note to the staff to create the interval the instructions on the card designate.

Students create steps, skips and repeated notes on the treble & bass staff.

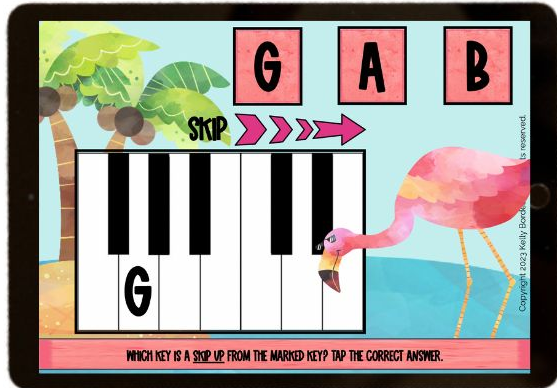

56 cards included in this deck

Two different types of cards included so students get extensive review!

50 cards included  
in this deck

hosted at

# Steps & Skips ON THE KEYS

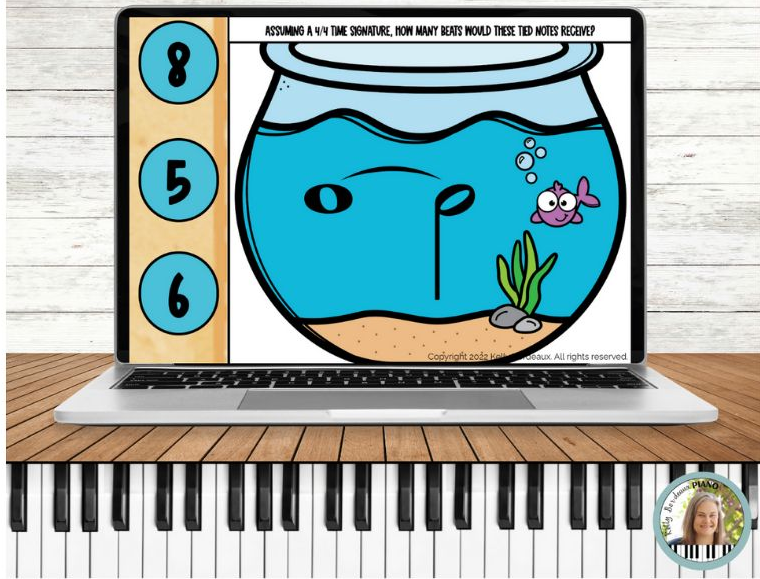

Students tap the correct letter that is a **step or skip up or down** from the marked key.

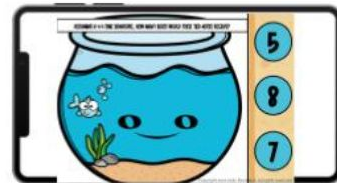

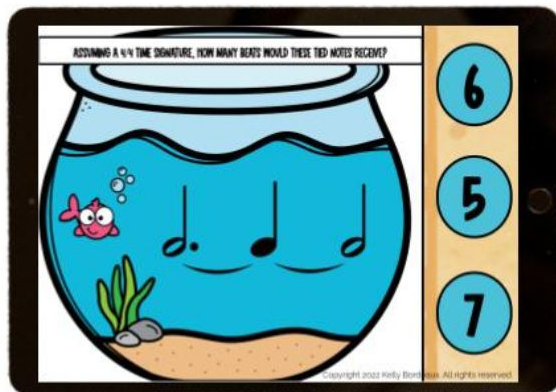

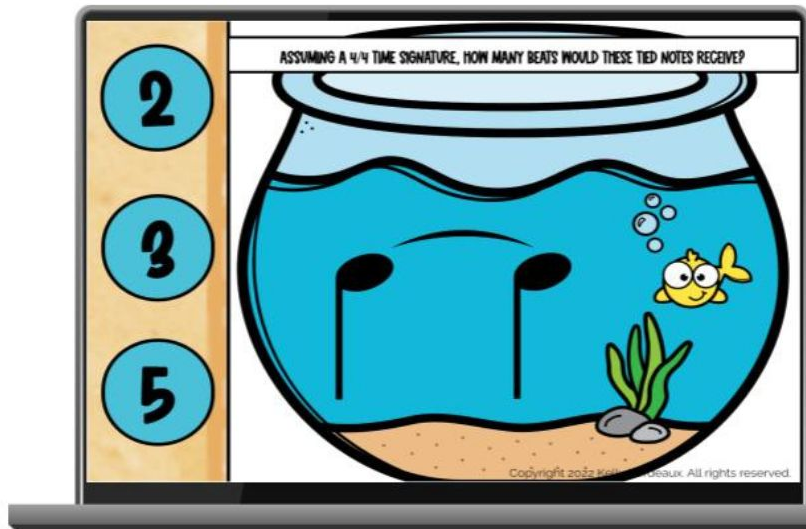

# NOTE VALUES

## Adding Ties

Students learn to count and correctly hold ties for the correct amount of beats when they see the tie symbol.

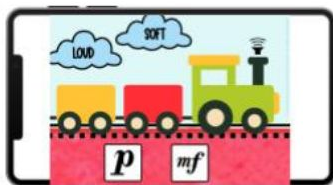

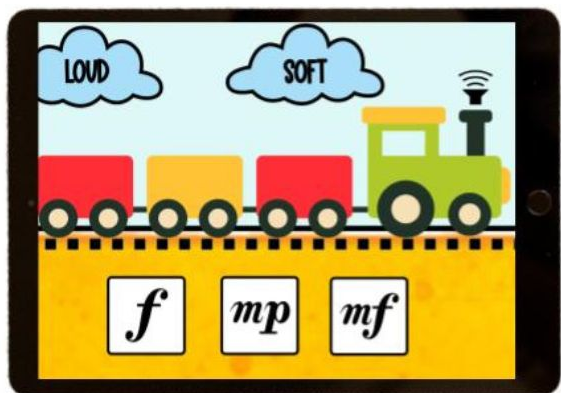

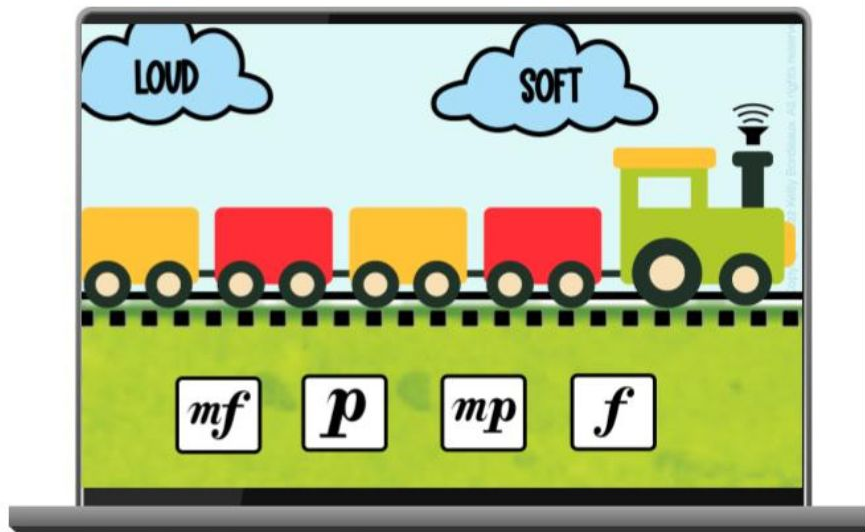

Students add notes together connected by the ties - stems up & down included!

60 cards included  
in this deck

Students will love reviewing dynamic symbols with these fun train cars!

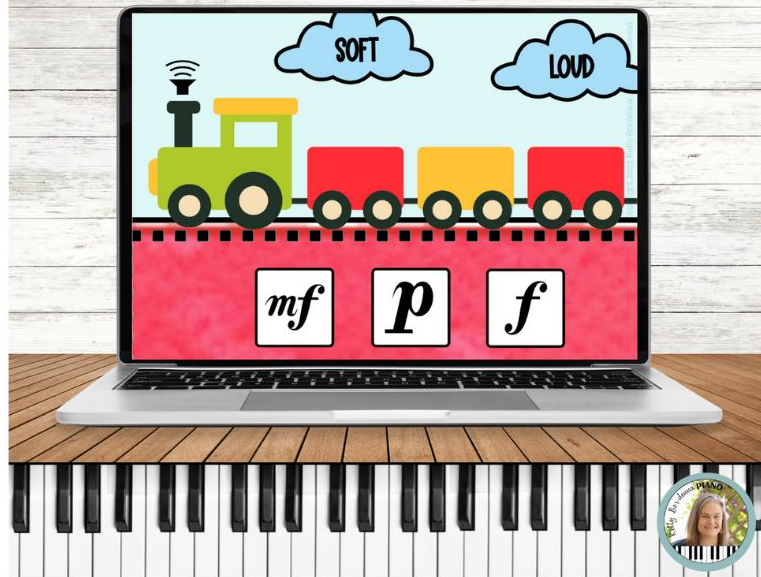

76 cards included  
in this deck

hosted at
