DO YOU NEED...

- * Educational and fun activities for your beginner through intermediate piano students?
- * Interchangeable multi-level materials?
- * Engaging resources students of all ages love?

THEN YOU NEED THIS BUNDLE!

- * Great for reviewing and learning new notes!
- * Helps students stay engaged and focused!
- * Includes a variety of levels!
- * Perfect for private or group piano, in-person or online!

HOW TO PLAY

- * Draw a card.
- * Identify the notes and say or write the music spelling word.
- * Roll the dice to move forward on the game board.
- * First one to the finish line wins!

STUDENTS WILL:

- * Love naming the notes and identifying the words!
- * Enjoy a little friendly competition!
- * Have a blast playing these games in private lessons or in groups!
- * Appreciate the change of pace these activities offer!

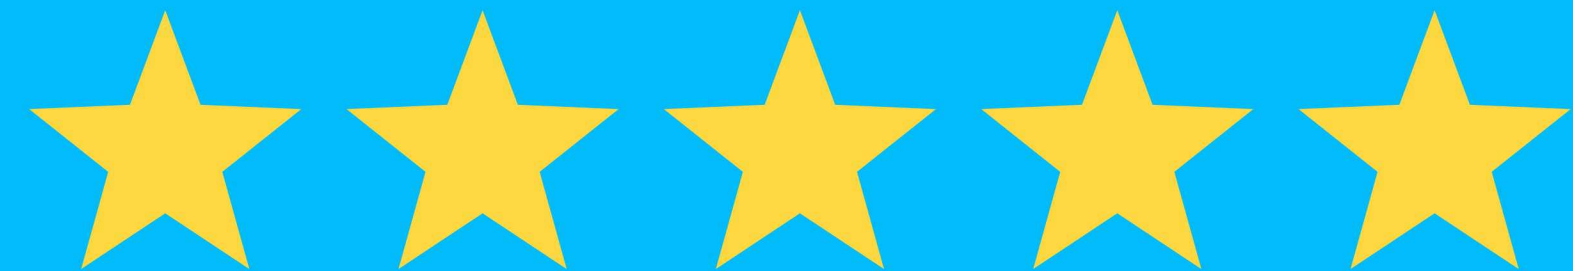

INTERCHANGEABLE!

- * Cards are interchangeable!
- * Play as a multi-level game with multiple levels of students!
- * Mix and match cards from different sets for students in a group lesson.

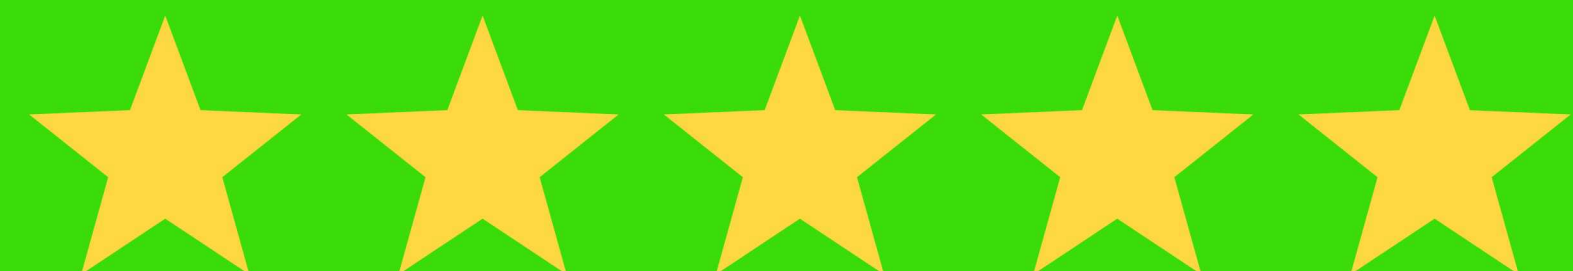

WHAT TEACHERS ARE SAYING:

I have used this in lab settings, group classes and private lessons. Very versatile.

A wonderful product!

-Valerie E.

They are so cute and inspiring to play with.

A great game! Thank you.

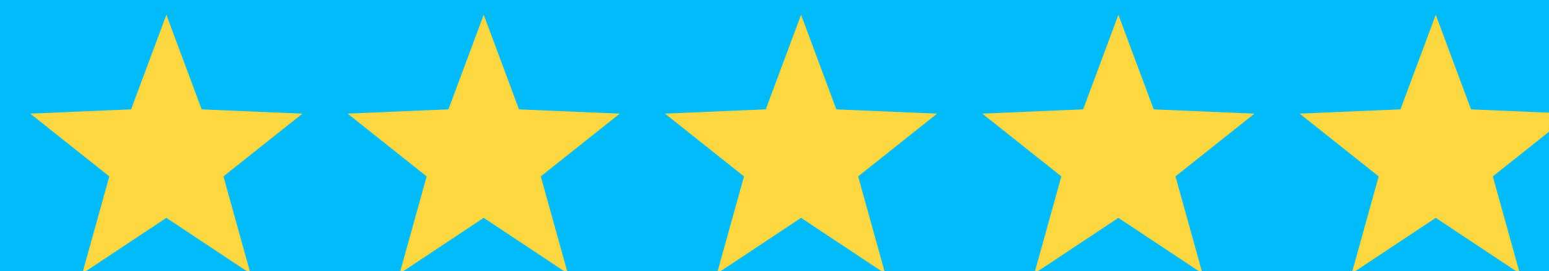

-Jodie D.

These [piano key] games are a lot of fun! My students love them and the games are a great addition to helping my students learn the basics of the keyboard.

It works for all the ages that I am teaching.”

-Amy L.

My student keeps asking to play! Thank you!

-Vivace2309
