From the Bible

[Jesus] was given authority, honor, and sovereignty over all the nations of the world,
so that people of every race and nation and language would obey him.

His rule is eternal—it will never end.

His kingdom will never be destroyed.

God has put Christ over all rulers, authorities, powers, and kings,

and every title that can be given, not only in this world but also in the next.

God put everything under his power

[Jesus] has the power to bring everything under his control.

Unison reading: teaching

His name is great in Is-ra-el,
But he didn't stop there, I'm here to tell.
He's king of Asia and Europe, I mean from coast to coast;
He's the top dude, man, and he is the most.

From the U.S. of A. to Mexico—
He's one and only Lord, now don't you know.
From Columbia to old Cape Horn,
He's the master and lord of every critter born.
From Sierra Leone to Mozambique—
You wanna know who's king? Just take a peek.

If you wanna sneak around him, I've got news for you!
There just ain't no place that's outa his view!
He's king over all and you oughta know—
There just ain't no place where he can't go.

He steps right up and takes his place,
As king and lord of every race.
So black or white or in between—
You'd better bow down and make his scene.

Praise him in morning, praise him to the max.
Praise him in the evening 'till you drop down in your tracks.
He's worthy! worthy! worthy of our praise!
We'll praise him, praise him, praise him all our days.
