Compiled by Liz at
Liz's Early
Learning Spot

“Pedagogy must be oriented not to the yesterday, but to the tomorrow of the child’s development.” Vygotsky

I hope you like this poster and find it a useful reminder of what early childhood education is all about!

I made it from two letter-sized pages to make for easy printing. Just tape them together if you want to make the longer poster.

I wish you happy teaching and learning!

Liz
