

Homework Assignments on WebAssign
Math 160, sections 507 & 509
Fall 2016

We will be using WebAssign for most homework assignments in this course. You are responsible for making sure that you have access to WebAssign. If you purchase the textbook recommended through the SU bookstore, then you will have such access included, along with instructions for getting access.

You can use the following instructions to access WebAssign:

1. Go to <http://webassign.net/login.html>
2. Click on the "I Have a Class Key" link
3. Enter the class key below to identify yourself as a member of this class

CLASS KEY: **salisbury 4914 6784**

4. After your class key is recognized, complete the information requested. Make sure that the name you use is the same one you have in GullNet! Unless you already have a WebAssign account, please use your SU username and be sure that your email address is correctly entered.
