

COMPOSING

ACTIVITY & WORKSHEETS

- ❁ Christmas-themed guided composition worksheets, flash cards, and staff paper!
- ❁ Your students can create a fabulous music composition step-by-step!

**SCROLL DOWN
TO SEE MORE**

DO YOUR STUDENTS:

- ❄️ Cringe when you mention “composing”?
- ❄️ Go blank when asked to make up a melody?
- ❄️ Tell you “they can’t write music”?
- ❄️ Feel like they don’t know where to start?

Name _____

Step 4. Begin adding a melody to each rhythmic motive. Say each motive out loud. V the words and draw the shape of your voice below. Repeat for each motive.

fire in the fireplace,
reindeer hooves on the roof

THEN YOU NEED THIS ACTIVITY!

- When students follow the step-by-step composition instructions, their confidence will soar!
- They will learn that they **CAN** compose!
- They will be proud of their creation!

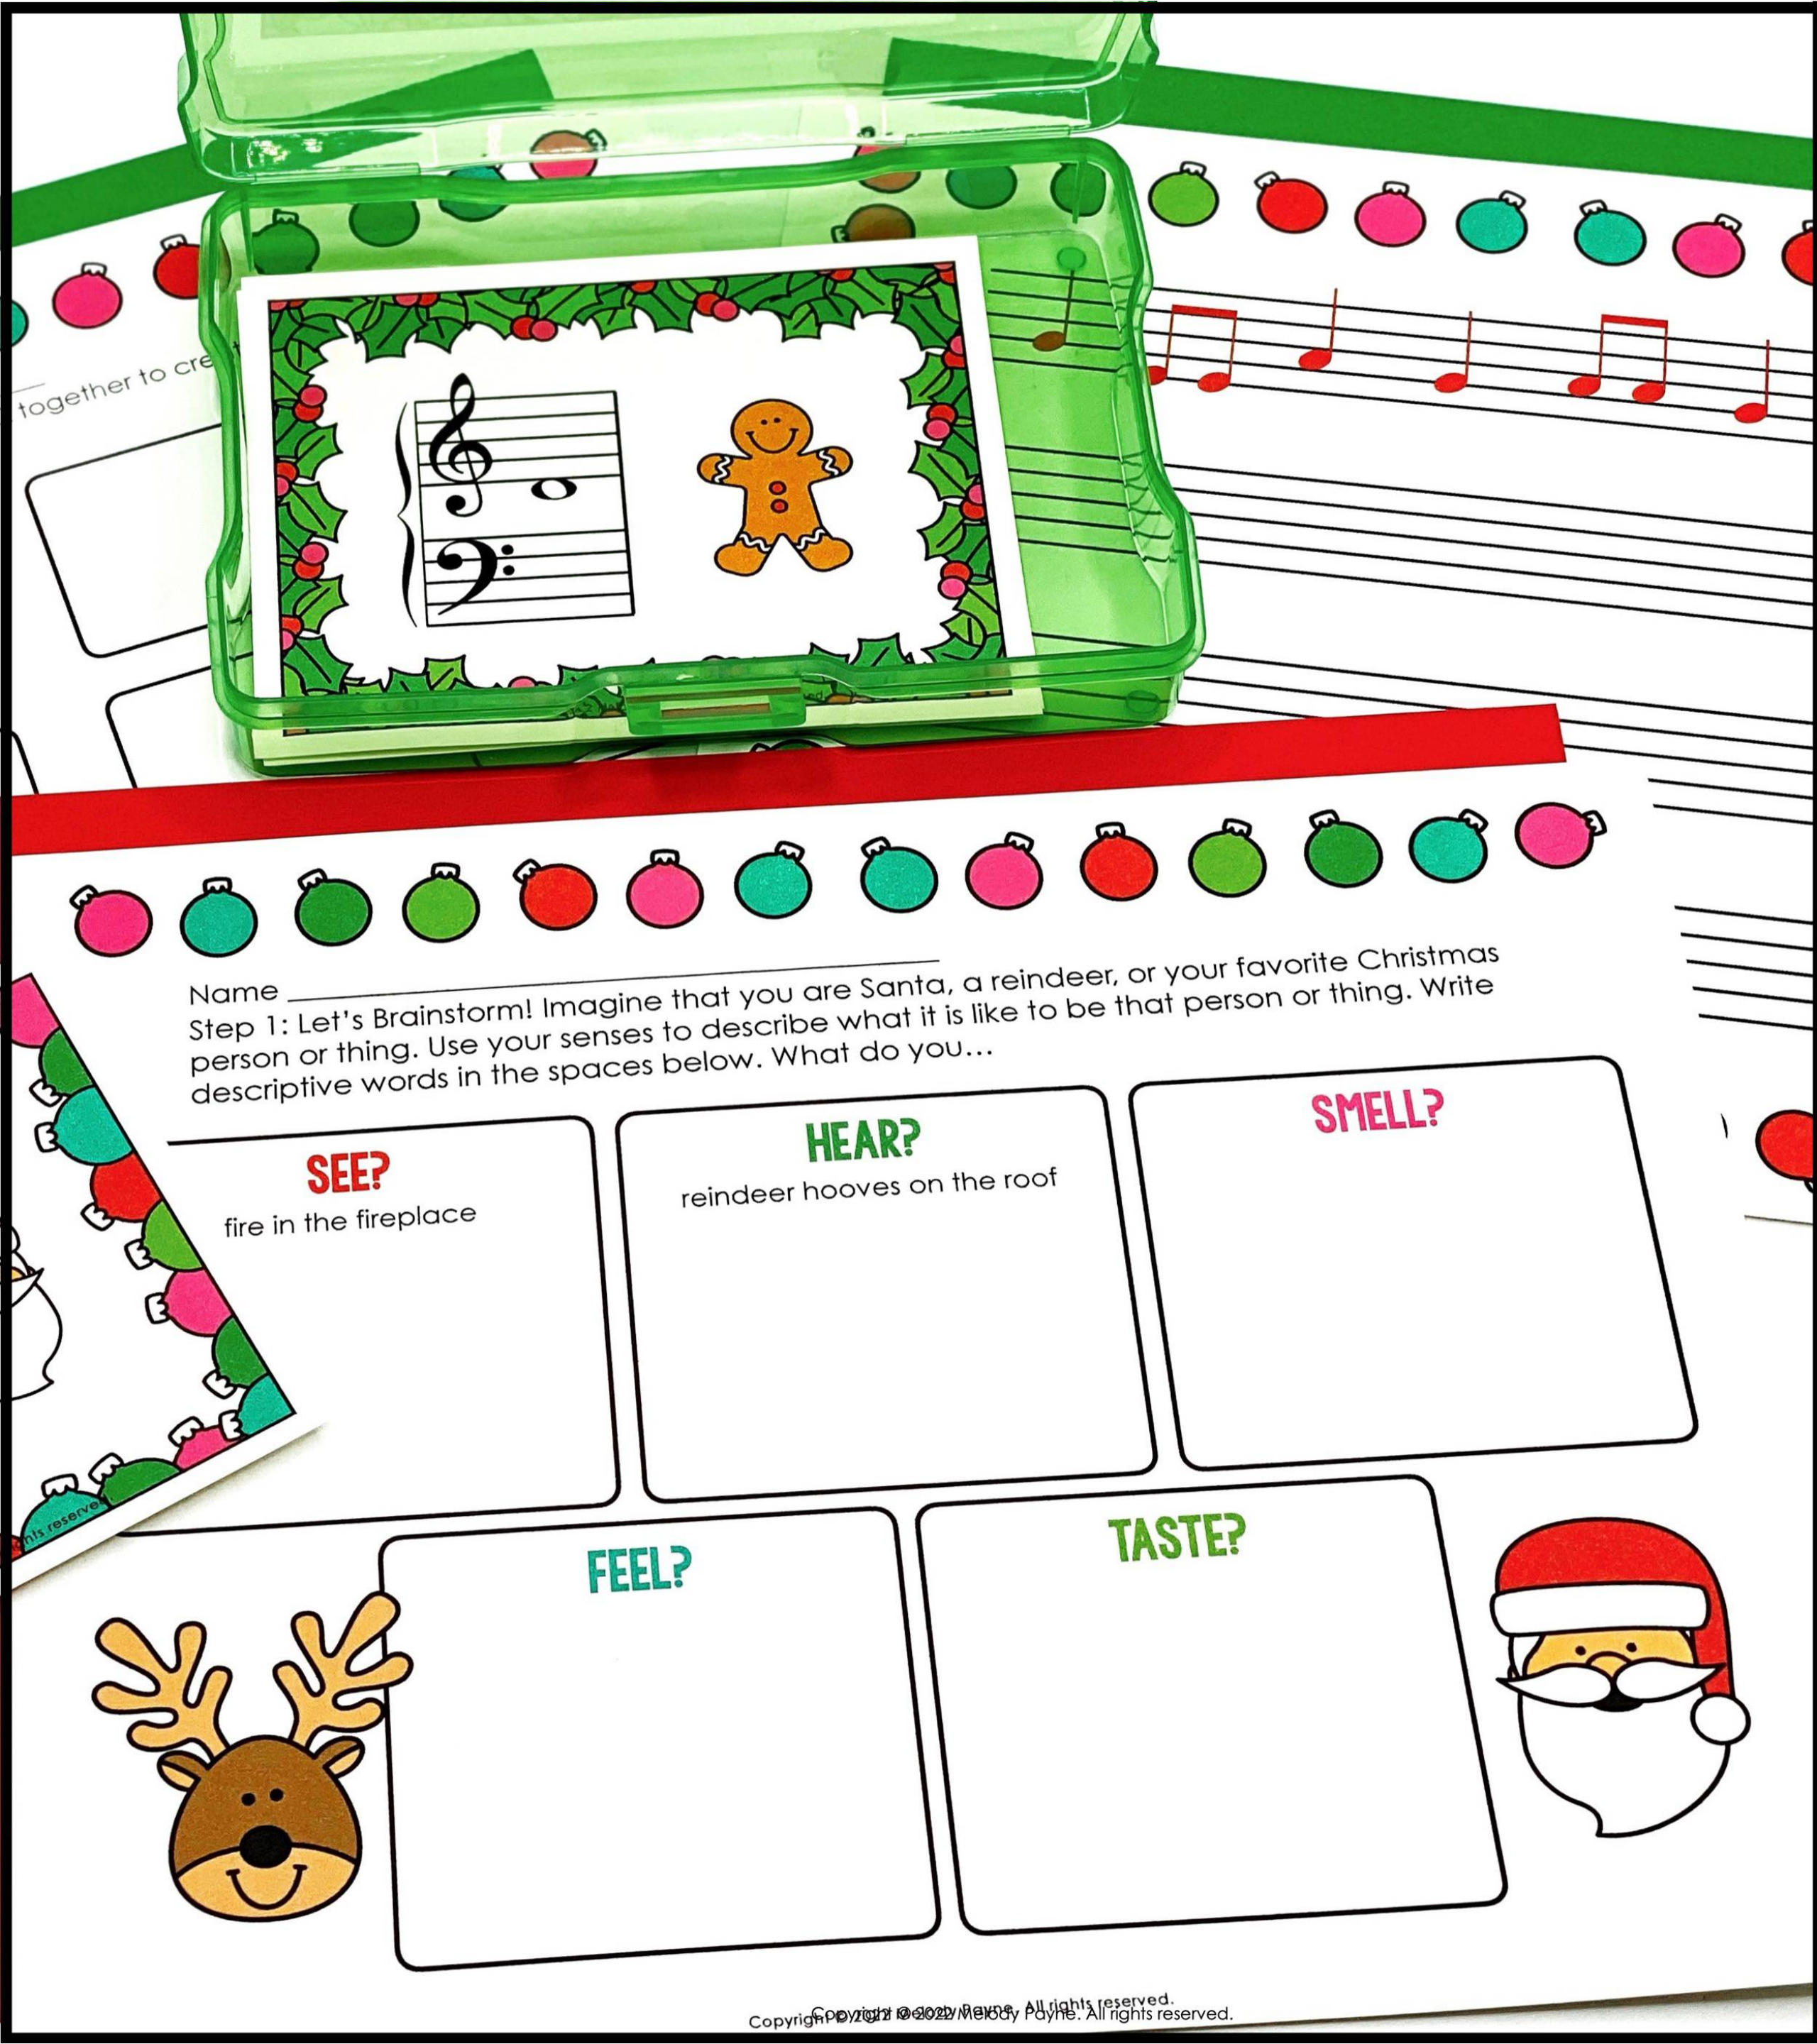

STUDENTS WILL:

- Follow the easy step-by-step instructions
- Brainstorm
- Create rhythms
- Create rhythmic motives
- Work with musical contour
- Notate music on the staff
- Add dynamics and other musical elements

THIS ACTIVITY INCLUDES:

- Composition worksheets
- Brainstorming pages
- Music alphabet cards
- Flash cards
- Portrait staff paper
- Landscape staff paper
- Step-by-step composition instructions

HOW TO USE:

- Complete a single page during each class or piano lesson
- Or complete multiple pages in one session
- Use this activity to review music theory concepts
- Use it to review pitches and rhythms

STUDENTS LOVE IT!

- 🎵 Your students will tap into their creative side in a fun and unique way!
- 🎵 Your students will have a beautiful composition of their very own to share!
- 🎵 Your students will feel like accomplished composers!

GET IT TODAY!

- And watch your students' feelings about composing change immediately.
- And start planning that Christmas party where your students perform their fabulous new compositions!
