Camp Preparation

Camper Forms via Ultracamp

The forms below should be completed before arriving at Check-In on opening day of your camper's session:

- Health History
- Summer Immunization
- Camper Profile
- Camper Release
- DWTX Internet Policy

To update or complete forms, open the "My Forms" or "Incomplete Tasks/Forms" tab on your account's main page. These forms need to be updated no later than 3 days prior to the opening day of your camper's session.

Pre-Camp Health Precautions

Camper health and safety is our top priority. To help us mitigate the risk of illness at camp, please do not bring your camper if they are not feeling well. Camp is a physically demanding environment, and if your camper is already feeling sick, the chances of feeling better at camp are low. Please consult your doctor if your camper has recently been exposed to or suffered an illness to help us keep camp a safe and healthy place for all campers.

During camp check-in, you will be asked to fill out our 24-hour healthcare form that contains questions about your camper's overall physical health. We ask that you answer these questions honestly so we can better serve your camper and keep the camp community healthy.

If you have any questions about our communicable disease plan, please contact Johnson Jeffers, Director of Camp Capers, at johnson.jeffers@dwtx.org or call the Camp Capers office at 830-995-3966.

Medications

Please make sure all medications are up-to-date for your camper(s) prior to their camp session. This is incredibly helpful for the Camp Capers Health Professional when treating and caring for your camper(s).

Please make sure you pack **ALL** medicine for your camper, both prescription and non-prescription, in the correct corresponding original bottle or container that includes the name of the medicine, the dosage, and the name of the camper (when applicable).

We cannot accept medicine that is dropped off in unlabeled packaging (Zip-loc bag, Tupperware, etc.).

All medication must be turned in to the Camp Capers Health Care Professional upon check-in. This includes non-prescription medication, prescription medication, vitamins, and other supplements.

Camp Capers stocks most over-the-counter medication, therefore parents do not need to pack any common as-needed medication.

Camp Scholarships

Camp Capers, Mustang Island Family Camp, and Duncan Park are wonderful and life changing places to learn, deepen faith, and experience God's love. We never want financial need to prevent a camper or family from participating in our programming. The Camps & Conferences Department believes that no child should miss out on a camp experience because of financial limitations.

A typical Camp Capers scholarship is an agreement between the camper family or retreat participant, their local Episcopal church, and the Diocese/Camp Capers to each pay for 1/3 of the session registration fee. You do not need to be a member of the Episcopal Church to receive scholarship assistance.

**Please visit our website for more information on Scholarship Assistance
and to download the Camp Capers Scholarship Form.**

If you have questions, contact the Camp Capers Office Manager, (camp.capers@dwtx.org; 830-995-3966) or Camps & Conferences Director, Rob Watson (rob.watson@dwtx.org).

Tips for Parents: Homesickness

Missing home and each other is normal, and it even happens among the staff and camp directors! Here are some tried and true tips for helping you and your camper(s) deal with missing home and each other and preparing them for fully investing in the camp experience!

It's important to talk with your camper before leaving for camp to discuss any worries they may have about being away from home.

Our staff foster a nurturing environment which will help alleviate any homesick tendencies, and homesickness is a topic of particular concern that we focus on during our staff training.

How YOU talk with your camper about their time away from home has the biggest impact on their outlook on their camp experience.

Please strive to be positive, upbeat, and keep the focus on your camper and the welcoming, accepting, and exciting time they can expect to have at camp. Acknowledging you will miss them helps them know you care, but please pair it with positive, solution-based comments such as "We can't wait to hear from you when you write us letters!", "We know you'll have a great time and that makes us happy!", "We are proud of you for trying something new."

Please NEVER promise to pick up your camper or let them call home if they are not having a good time. This creates a barrier to your camper fully investing in the camp experience and all it has to offer.

Tips for Parents: Homesickness

Remember

Specific concerns can be noted on the registration/health forms online, emailed to the Program Director (programcc@dwtx.org), or discussed over the phone prior to your camper's session. In all cases, the information you share will be kept confidential and shared with only the appropriate staff parties. It is extremely helpful for us to be aware of potential stressors or anxieties campers may bring to camp so we can prepare appropriately. In this way, we can meet the camper where they are and help them have the best time possible at camp.

If your camper is experiencing extreme homesickness, we will be in contact to discuss ways to make them more comfortable at camp. Our number one goal is to support and encourage all of our campers to experience the joy of camp. However, we know camp can be overwhelmingly new to a handful of youth. With our staff's training and our intentional conversations with families, we hope to support your camper to the best of our abilities while they are at camp.

Cabin Requests

(for first time campers only)

At Camp Capers, we understand first time campers may feel anxious about their time away from home. Each session cabin assignments are made by Program Staff to best meet the needs of the campers and to assist in making new friends. Our staff take great care in creating a balance of children similar in age, but with a variety of hometowns and camp experience to encourage optimal cabin bonding. Changes to cabin assignments will not be made on Opening Day.

Requests for ONE cabin mate will be granted to first time campers only, and must be submitted no later than the SUNDAY (1 week) prior to your child's camp session.

1

Complete the Google Form for your first time camper. Please include the first and last name of the one cabin mate they would like to be in the same cabin with.

2

The requested cabin mate's parent must also complete the form in order for the request to be submitted officially.

3

Our staff will grant requests only for first time campers. You will receive your cabin assignment on Opening Day at check in. Changes to cabin assignments will not be made on Opening Day.

[Cabin Request Google Form](#)

If you have any questions or to discuss your camper's specific situation, please do not hesitate to contact us at the Camp Capers office at 830-995-3966.

Camper Healthcare

The health and wellbeing of our campers, staff, and camp community is our top priority. We work with health care professionals and providers to develop a communicable disease program that helps mitigate the spread of common illnesses at camp along with treatment procedures for potential injuries that can occur at camp.

During summer camp sessions, there is always a health care professional onsite that is responsible for distributing your camper's medication, treating injuries and symptoms of common illnesses, and promoting the overall health and safety of the camp community. Our camp health care supervisor(s) is typically a licensed vocational nurse, a registered nurse, or someone with similar qualifications.

If your camper becomes ill or suffers an injury at camp, our camp health care staff will notify the camper's parent or guardian of the situation. If care is required beyond the ability of our camp health care staff, an appropriate plan of care will be discussed with the parent or guardian.

If a camper becomes too ill to participate in the life of camp, they will be isolated from the camp community while their symptoms are monitored. If symptoms are severe, worsen, or do not improve over 24 hours, they will be sent home. Camp health care staff will notify parents of any symptoms or illness. If a camper tests positive for any illness, the camper will be sent home prior to the 24-hour time period. This is why we ask parents and guardians (or approved emergency contacts) of campers to be able to come pick up their camper within 8 hours of receiving a call from camp.

Camp is in Session!

Check-In

Drive-thru check-in begins at 3:30pm on Opening Day of your camper's session. Please enter camp through the Main Gate. Parents/guardians are welcome to help unload and set up their camper(s) in the cabin. You will find the assigned check-in time for your camper in an email in the week prior to the camp session you are attending. Please try to be on time for your check-in time. Staff will greet you near the gate and direct you to each check-in station along the camp road.

Cabin Assignments

Campers will receive their cabin assignments upon arrival at camp. Once cabins are assigned, we strive not to make changes in order to give our summer counselors time to prepare and learn about the campers they will be responsible for. You will receive an email with your assigned check-in time.

Care Packages

Please have care packages labeled with your camper's name, cabin number, and delivery day ready to drop off at the designated station during check-in. Care packages are limited to **2 packages per camper**. Care packages should be **no larger than 12" x 12" x 6" box**. Purchases from the Camp Capers Camp Store do not count towards a camper's 2 care package limit. Cards and letters left for delivery at camp are encouraged and are not considered care packages.

No food is allowed in the camper cabins to avoid tempting insects and larger critters.

Please do not include candy, gum, or other food products in care packages. In order to keep the TX Hill Country and the animals that call this place home safe, please do not include **glow sticks** in care packages as they can be harmful to the environment.

REMEMBER

Care packages are not imperative to having an impactful camp experience. The opportunity to come to camp is a gift itself.

The Closing Worship Service will begin at 10:00 AM and the check-out process will begin at 11:00 AM. A parent, guardian, or other individual listed on the camper's authorized pick-up list will be required to provide a form of photo identification when signing out each camper.

Camper Mail & Communication

Phone Calls & Visitations

We understand parental anxiety and concerns for their child's wellbeing while at camp. In the case of any emergency or other concern, either physical or otherwise, you will be notified promptly by phone. Due to the busy, fun-filled activities that are planned for the week, we cannot allow personal phone calls, either incoming or outgoing, or personal visitation during the camp session. For some campers, personal phone calls or visits can provoke homesickness and envy in others.

Please do not send your camper with a cell phone as they are strictly prohibited.

Camp Capers encourages all staff and campers to build relationships at camp without the distractions of technology. This is a very significant and unique part of the camp experience. If electronic items are brought to camp, they will be stored in the office and returned on the last day of camp.

If a serious concern arises, you may contact the Office Manager to discuss the situation at 830-995-3966. In case of an emergency, please contact Johnson Jeffers, Director of Camp Capers at 864-650-4462, and/or Rob Watson, Director of Camps & Conferences at 210-837-2788.

Letters

Please mail all cards or letters at least two weeks prior to your camper's session, labeled with the name of the session they're attending, to ensure it will arrive onsite while they are here or drop them off at the Welcome Center on check-in day. To ensure your camper receives their letters and packages, please address them using the following format:

Attn: Camper's Name, Session Name

One-Way Emails

Mail is an incredible way to show your love for your camper during their camp session, especially those who are away from home for the first time. Once your child arrives at camp, you may email your camper each day, if you like. Emails are checked Monday – Friday at 11:00 AM. It is important to remember not to send emails after 11:00 AM on the last full camp day of the session (Friday; Thursday for Primary Camp sessions).

2. Go to the three lines at the top left of the page.
3. Select Message Center & click Email a Camper.

There is NOT a charge for sending emails.

For friends and other family members not listed on your account to email your child, parents must authorize them. On the main page of your account there is a tab labeled "Friend Accounts". Select "Add a Friend Account". Follow the instructions to have an email sent with step-by-step directions to the family or friends you would like to be able to send your camper a one-way email.

The diocese sponsors three weekends each year in various locations and has sponsored over 145 weekends to date. Each Happening begins Friday evening at 7:00 p.m. sharp, and wraps up around 4:00 p.m. on Sunday. It is a lock-in, so prepare to stay the entire weekend. The Diocese of West Texas hosts three Happenings each year, usually the first weekend of March, the first weekend of August, and the weekend just before Thanksgiving.

Any student in the 10th grade through 12th grade can attend. A small number of adults may also attend. Weekends tend to fill quickly, so don't delay! You will receive detailed information about the weekend via email after you register. The registration cost is \$60, and a deposit must be paid to confirm your registration. Even if you have filled out all of your forms, the online system won't notify us until the deposit is processed.

Scholarships for Happening participants and staff are available.

OTHER CAMP OPPORTUNITIES IN THE EPISCOPAL DIOCESE OF WEST TEXAS

Duncan Park

Duncan Park is an Episcopal camp and conference center, owned and operated by the Diocese of West Texas, in the Colorado Rocky Mountains, 20 miles west of Boulder, Colorado. Although many miles from our diocese, Duncan Park is at the heart of the Camps & Conferences Department's mission to provide spaces for people to gather, creating opportunities for people to deepen their faith, experience the love of God in community, and feel empowered to share this grace with their home parishes and neighbors.

Its programs include summer camp sessions for junior high and senior high youth, family camps, and private retreats. Surrounded by the aspen and pine forests of the Colorado Rocky Mountains, campers and guests can find true respite from the hustle and bustle of everyday life, make new friends, and grow in faith.

For more information about Duncan Park, please visit www.dwtx.org/dpco. If you have any questions regarding summer camp sessions or retreats at Duncan Park, email duncan.park@dwtx.org.
