## Word Wall

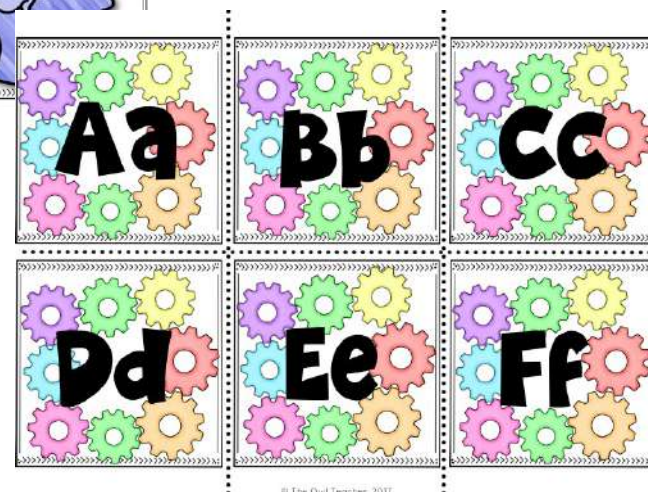

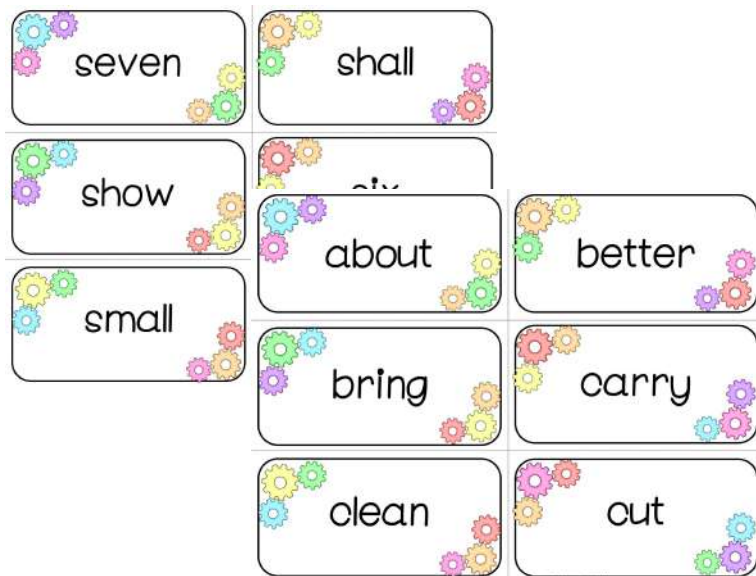

### Growth Mindset

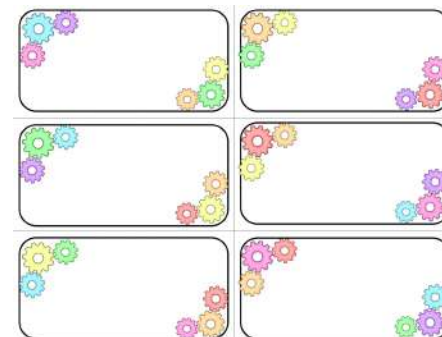

Two different style choices – the growth mindset head and the gears.

This word wall set comes with Kindergarten through 3<sup>rd</sup> grade Dolch words!

And a blank editable set of cards for creating your own words for the word wall!

Each Word Wall letter set comes in a variety of colors. You can use one solid set, a rainbow theme, or mix and match!

It also comes in ink-saving white! You can print it on color paper, if desired.
