

Review & Practice

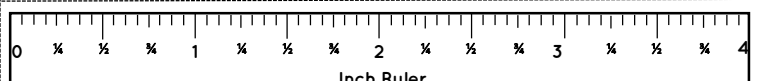

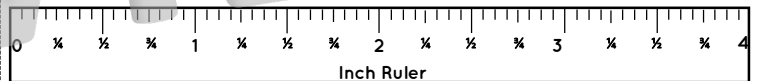

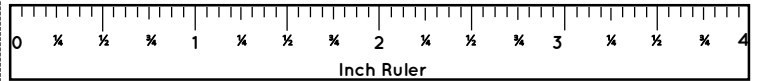

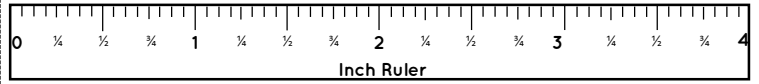

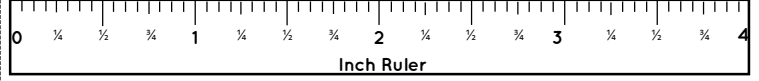

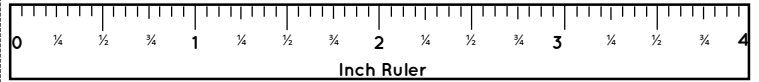

Start 2 Finish Puzzles

Measure Length Using an Inch Ruler

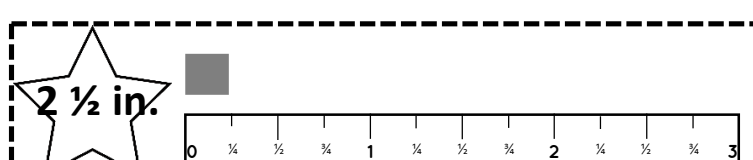

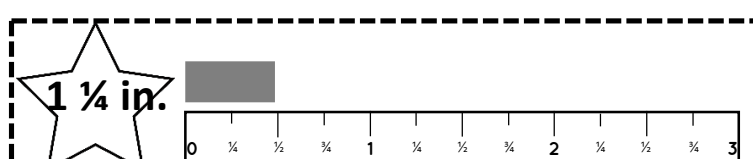

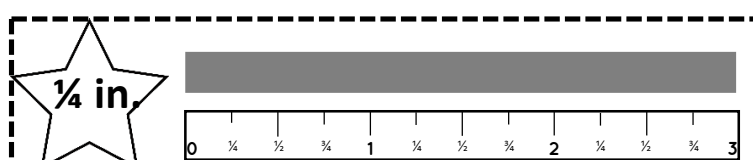

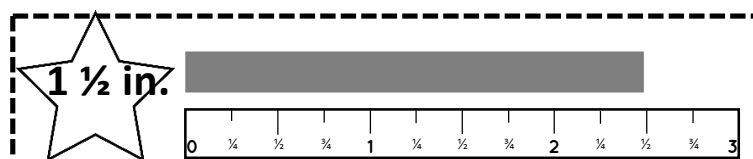

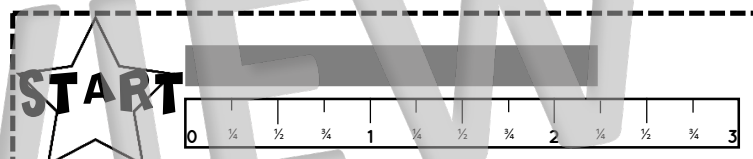

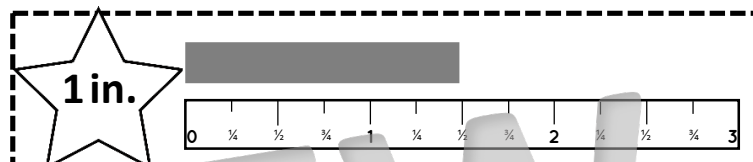

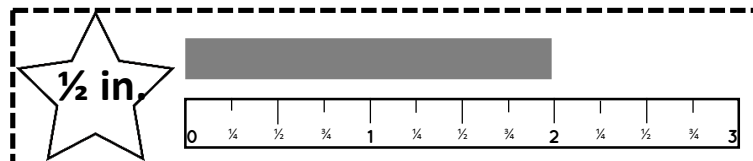

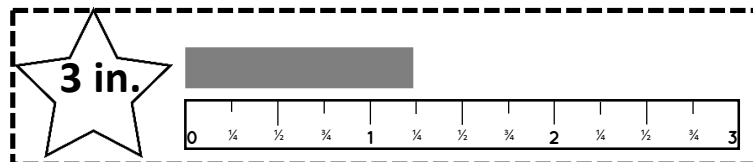

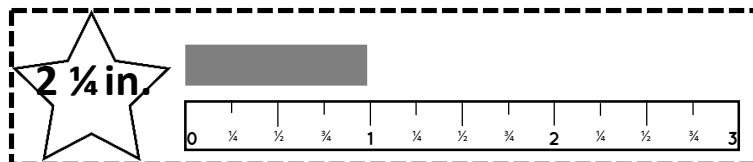

Created By The Owl Teacher

MEASURE LENGTH INCH RULERS

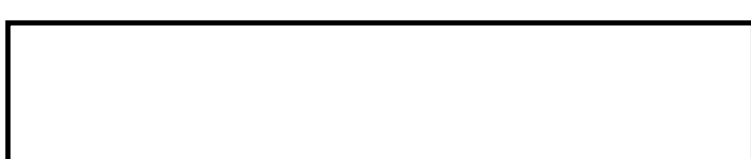

MEASURE LENGTH

Cut out each strip below. Glue the start strip in the top rectangle to the left. Then solve the problem on that strip. Next, find the strip with the answer in the star. Glue that one in the next rectangle. Continue until you have arrived at the "finish" strip.

MEASURE LENGTH

Measure the length of the strip.

Cut out each strip below. Glue the start strip in the top rectangle to the left. Then solve the problem on that strip. Next, find the strip with the answer in the star. Glue that one in the next rectangle. Continue until you have arrived at the "finish" strip.

MEASURE LENGTH

Measure the length of both strips.
Add them together.

Cut out each strip below. Glue the start strip in the top rectangle to the left. Then solve the problem on that strip. Next, find the strip with the answer in the star. Glue that one in the next rectangle. Continue until you have arrived at the "finish" strip.
