♥ ENGAGING Winter Writing Prompt!

Students write on the snow globe base.

-Use any border or background you want!

-You can take pictures of your students to glue inside the snow globes OR have them draw pictures.

What Other Teachers Say About This Set:

★ I love the **combination of art/craft and writing activity**. This will be perfect for my bulletin board, and then in my students' memory books. Thank you! -Beth

★ **This turned out so cute!** Other kids in the hallway that would see the bulletin board loved it. **My class loved it too!** -Holly

★ **Kids loved this!** - Angela

★ **My students love this activity!** It is an engaging and fun way to have them practice their writing skills. My classroom is a special education classroom with a wide range of abilities, but **this was easy to differentiate for all of them!** -Amy

★ **I love using seasonal writing activities** to prepare my students for upcoming standardized tests. This helps put their mind at ease and aren't stressed out when they have to write in the spring.-Suzy

★ **Students were fully engaged with this activity.** Yes, they were super shy about taking the picture, however, with the right motivation, **they had fun with it!** I really enjoyed doing this with my class! Thank you. :) -Maria
