LOVED BY TEACHERS

"These units are wonderful.
Thank you for the unit
breakdown and hands-on
activities for the students."

-Megan R

"I teach middle school Autistic
support and my kids gained so
much more knowledge by going
through this unit! They loved the
hands on activities and I found
some ideas for future lessons."

-Emily F

"Loved using this with my SPED
class. Very easy way to
adapt to something they
could relate to and
understand."
