Secret Label Clare Valley Riesling 2023 (KSL 5375)

Region: Clare Valley **Rating:** 94/100 🍷👍

This 25th anniversary release comes from such an exciting Clare Valley vintage that offer stunning value - stock the cellar! Pale lemon hue. Lovely citrus notes, but it is especially redolent of limes. Pleasing aromas of florals, but it is the limes to the fore - no surprise for a quality Clare Riesling. Fine acidity, so this is well balanced with impressive length. If you want to try a classic Clare Riesling, especially one so well priced, look no further. In good cellars, this has 12 to 20 years ahead of it. This is really good and a wine worthy of celebrating such an anniversary. Drink: 2023-2043. Price: \$24. Rating: 95/100.

TWO DOCTORS

It all began in 2012, over a friendly drink. Jerry, the cosmetic and laser surgeon, brewer and hospitality guru, yearned for a yet another side hustle. John, the much-lauded haematologist, saw an opportunity to indulge in a tad of alchemy by exploiting Jerry's existing brewing infrastructure to create pure liquid gold.

Two Doctors isn't about mass production or fleeting trends. Think single-malt barley, distilled with painstaking attention to detail, aging patiently in specially chosen casks. Two Doctors doesn't chase trends, they set them, offering superb single-cask releases bottled at distiller's strength - a testament to the singular beauty of their whiskey.

So, raise a glass to these unconventional docs. Two Doctors Whiskey isn't a cure-all, but it might just cure your search for the perfect dram.

Just remember, as the good doctors say, "consume thoughtfully and in moderation. Take your enjoyment to excess."

Two Doctors Single Malt Whiskey
Cask 017 (700ml)

You won't need a second opinion

We are really enjoying each release of Two Doctors. Cask 017, the third release from Two Doctors. Cask fill in March 2016, disgorge in May 2023 making for an impressive 7+ years in barrel. There is certainly no expense spared. The rich colour of red clay accurately predicts teak oil and cedar wood notes interspersed with the fragrance of old lacquer. The first taste brings a big smile as burnt orange and crushed pine nuts start the journey towards cocoa powder and freshly cut birch. Dried oranges and cloves as 'pomander balls', once used to ward off evil spirits, combine harmoniously on the middle palate. They underline the crescendo to an intense lingering burnt caramel finish. This would make an excellent gift for any whisky connoisseur.

PURE NEW ZEALAND

Here we're uncorking the concept of "Pure New Zealand". Now, this isn't just some marketing spiel, it's the soul of Kiwi winemaking, etched in sunshine, wind, and soil.

Imagine this: glacial valleys cradling vines, kissed by cool winds off the Southern Ocean. Sunlight, long and bright, paints the grapes with intensity. Pristine waters quench their thirst, while isolation keeps diseases at bay. Nature, unbridled and pristine, whispers its terroir into every berry.

That's the essence of Pure New Zealand. It's not just a label, it's a promise. A pledge to minimal intervention, to letting the fruit shine through. No gimmicks, no shortcuts, just the honest symphony of grape and land.

Along with sauvignon blanc, the Kiwi's darling grape variety, and other white aromatics such as pinot gris, pinot noir, with its silken elegance, thrives in these

cool climes. And don't underestimate the chardonnays, bursting with citrus, melon and delicious complexity.

Here's the clincher: Pure New Zealand isn't just about taste. It's about values. Sustainability isn't just lip service, it's ingrained in the vineyard, from organic practices to minimal water usage. These wines carry the weight of a clean conscience, alongside their delicious payload.

So, next time you reach for a Kiwi bottle, remember the "Pure" isn't just a descriptor. It's a journey, a taste of a land untamed, and a commitment to quality at every step. Cheers to that!

Now, who's ready to crack open a piece of paradise?

C R A G G Y R A N G E

Founded in 1998 by the Peabody family, it's a tale of audacious vision, meticulous craftsmanship, and an unwavering commitment to terroir-driven excellence.

Consistently ranking among New Zealand's top wineries, Craggy Range's dedication to quality shines through. From the sun-drenched Gimblett Gravels, whispering tales of minerality, to the windswept slopes of Te Muna Road, each vineyard's terroir is chosen for its unique character.

HUNTER SEMILLON

Hunter Valley Semillon is one of the great cellaring wines of the world. There's a quiet prestige about the wine which belies its humble beginnings and extraordinary value for money compared to other internationally renowned classics. It isn't a wine of immediate flash. Its magic might not become fully apparent for decades, but the wait is worth it.

With age, this wine undergoes a remarkable transformation, with each phase revealing something new. The youthful citrus-based vibrancy softens, replaced by a richness and complexity, comprising toasty, honeyed buttery notes and roasted nuts with a compelling stony mineral texture.

If you're lucky enough to find an aged Hunter Semillon, cherish it. It's a rare and precious gift, a testament to the enduring beauty of this remarkable wine region. Otherwise, grab one of these and hide it in the cellar for at least a decade.

HICKINBOTHAM

First planted in 1971 to dry-farmed Cabernet Sauvignon and Shiraz, Hickinbotham Vineyard is situated on the high elevation hills of Clarendon, a subregion along the northern edge of McLaren Vale in South Australia. Since the 2012 sale to Jackson Family Wines, Hickinbotham led by winemakers Christopher Carpenter and Peter Fraser and viticulturer Michael Lane is now in the top echelon of Australian producers.

Australia's merlot star

Hickinbotham Clarendon Vineyard The Revivalist Merlot 2019

Region: McLaren Vale Rating: 97/100 🍷

Some of the world's greatest wines are made from merlot (such as Bordeaux's famed Petrus, Tenuta dell'Ornellaia of Bolgheri and Napa Valley stars like Duckhorn). Part of the reason that Australia has not embraced merlot is that we lacked a genuine star - that was until now. Hickinbotham's merlot is aptly named The Revivalist. If any merlot can revive the interest in this noble variety, surely this can. This has the power and lingering length that highlights what truly great merlot is.

Hidden Label Clare Valley Riesling 2023 (KHL 4955)

Region: Clare Valley **Rating:** 94/100

It is a wonderful thing when nature gives a region three cracking vintages on the trot and the Clare Valley has certainly been blessed. The 2023 Rieslings are proving to be just as exciting as its two predecessors. This is pale straw with a nose radiating with citrus, limes, spices and florals, all lovely stuff, full of flavour. This is approachable now but certainly has an exciting future, especially at this price with notes of orange blossoms. Slightly crunchy acidity and a long, lingering, clean finish, which maintains its intensity. Drink over the next six to ten years. Drink: 2023-2033. Price: \$22. Rating: 93/100.

Stupendous value

Hidden Label Adelaide Hills Chardonnay 2023 (KHL 2531)

Region: Adelaide Hills **Rating:** 94/100

This boutique winery is considered to be (along with Shaw + Smith) one of best producers of elegant, award-winning cool climate wines in the Adelaide Hills. It should be no surprise that their chardonnay is so highly regarded as their winemaker used to be the chief winemaker at Shaw + Smith. Tantalising aromas of jasmine and ripe lemon but with a round, velvety structure. The palate showcases crisp, mouth-watering flavours of grapefruit, apricot, and white peach, finishing with lingering, crisp minerality. Drinking beautifully now but will continue to evolve with careful cellaring. This is a bargain at its cellar door price of \$26, so our price of only \$13 is stupendous value.

This caught our eye when it picked up the trophy for Best Tempranillo at the Wine Wise Small Vignerons Awards 2022. The famous Spanish grape flourishes in many Australian wine regions including the Frankland River in the Great Southern region of West Australia. Opaque black dark red core with a dark red hue. Pronounced ripe dark cherry aromas and spicy dried herb notes. A rich and juicy palate with dark cherry, liquorice fruits and a touch of spice. Surely a contender for value buy of the year. Indeed, the range of four reds released here is definitely odds on for best buying collection for 2023. Maroon purple, this is a brooding, deep red with aromas of plums, chocolate, cigar boxes, dry herbs and raspberries - the black fruits kick in much more on the palate. There is good density, but the wine retains its freshness. With very fine tannins and a lingering finish, this is utterly delicious and should remain so for at least the next six to eight years. Steeped in history and synonymous with the Clare Valley in South Australia, the Knappstein Enterprise Winery has enjoyed a long and revered reputation as a maker of premium wines since it was established by Tim Knappstein in 1974. "A super dry, superlative wine", Jeni Port

Pikes Traditionale Riesling 2023

Region: Clare Valley **Rating:** 95/100 🍷🍷

A super dry, superlative wine highlighting the intrinsic pristine purity of Clare Valley Riesling. It's quite something to behold, and it should be noted that '23 is the third excellent Clare Riesling vintage in a row following 2022 and 2021. It shows in the intensity of the aromas in lime cordial, lemon, citrus zest, fresh cut green apple. Should you wish to drink early - and acid heads will be lining up - my suggestion is not to over chill. Acidity is high with the 2023 vintage marked by cool weather and a slow ripening season. It is, at times, a galvanising feature of this wine but then it's also a good insurance policy as to its longevity. Something to keep in mind. So, with that in mind, open the wine, give it a swish, watch it transform and reveal its beauty. Pure, bright, intense and clean with a finish that won't let you go. Date tasted: December 2023. "Classic style of riesling that never goes out of date", Jeni Port

Kilikanoon Mort's Block Riesling 2022

Region: Clare Valley **Rating:** 95/100 🍷🍷

A classic style of Riesling never goes out of date. Mort's Block epitomises that classic approach in its concentration of fruit and singular purity of expression. Floral and spring-like in scent: citrus blossom, lime, spicy musk, orange peel. Youthful, taut in structure with emerging white peach, ginger spice and citrus flavours. Time is on its side. Mort's Block, which is the basis for this label, boasts old vines planted in 1970 and grown on red loamy soils over limestone. That limestone plays a role. There's an almost effortless balance here with mineral-laced fineness. Watervale Riesling in a great year deserves more time in the cellar, but few will be able to resist opening a bottle right now. SUMMER OF RIESLING

Riesling has to be the obvious white wine choice for Australia's summer. Often referred to as Australia's 'most underrated grape variety' riesling is revered, and attracts stellar prices in Germany and France's Alsace. There is a plethora of brilliant Australian rieslings available for bargain prices.

Riesling just screams "summer". Its cool, bright, zesty lemon, lime and green apple aromas and flavours, make it so inviting in the summer months. It's difficult to imagine a better partner for grilled seafood or natural oysters, and it sits perfectly with any number of spicy

Asian-style dishes. Riesling also ages very gracefully, developing attractive toasty, honeyed characters, much like semillon and marsanne, making it a great cellaring option.

Australian riesling, in our opinion, remains inexplicably underpriced, so those of us who love the variety are very lucky indeed. Here are some superb summer treats.

The best champagnes to match with oysters are dry. This has just 3 grams/litre "liqueur d'expédition" - it is dry but avoids austerity. It also benefits from 20% older reserve wines as well as long ageing on lees which brings length, power and richness of red fruit. However, the current custodian, Andre Bergere, decided to bottle some of his best grapes under his own label (and we are glad he did). A chardonnay dominant blend (70%) spending 30 months on lees. AUSTRALIAN SPARKLING

Australian sparkling wines are versatile and enjoyable, made from a variety of grapes and regions and suitable for any occasion and any palate.

Cooler regions such as Tasmania, Adelaide Hills and Yarra Valley produce the top expressions. Very good Prosecco styles are proliferating from areas such as the King Valley in Victoria.

"Far from standard", Jeni Port

Pizzini Prosecco NV

Region: King Valley Rating: 93/100 🍷

King Valley is like a little Italy, where dynamic Italian migrant families established wineries focused on the popular Italian varietals. Pizzini is one, making their way from Trentino (Northern Italy) to the King Valley in 1956. Wine critic, Jeni Port (Halliday Wine Companion) says "our standard prosecco from the King Valley certainly carries a lot of style and depth. Fresh apples, pear with an almost piercing lemon-citrus brightness that carries the day. The texture is supple yet retains plenty of chalky, citrusy drive. Vibrant plus and far from standard".

WHITE BLENDS

The number of white blends on the market is clearly on the rise as producers increasingly embrace the benefits of combining the best features of multiple varieties into one wine.

When we first saw the label, we weren't sure (but thought what the heck let's give it a go). Italy meets Austria. Wow! This much loved label was an immediate hit with wine lovers and has maintained its popularity for more than 78 years. A blend of aromatic white varieties it drinks beautifully in its youth, but over the years has shown a surprising knack for rewarding medium-term cellaring. Perfect wine to pair with Asian food

d'Arenberg The Hermit Crab Viognier Marsanne 2022

Region: McLaren Vale Rating: 93/100 🍷

Many of McLaren Vale's vineyards are on free-draining soils underlain with limestone, formed by the calcareous remains of the local marine fauna. One such creature was the Hermit Crab, a reclusive little crustacean that inhabits the cast-off shells of others. The Osborn family thought the name appropriate for this, McLaren Vale's first ever blend of Viognier and Marsanne. "Hermit" is also an abbreviation for the French appellation of Hermitage, where the Marsanne grape variety dominates. A food friendly wine that is rich in texture, yet crisp and refreshing. The palate is full of fresh flavours of honeydew melon, pear and stone fruits. Perfect wine to pair with Asian food.

Alpha Crucis Winemakers Series 2016 (6x750ml)

Region: McLaren Vale

A 'wow' gift for any wine lover. The Alpha Crucis Winemakers Series is a world first that explores the influence a winemaker has over a single vineyard. Six top winemakers were tasked with making a wine autonomously, in a style of their choosing from super premium shiraz sourced from the Heritage Vineyard at Chalk Hill. The winemakers have full control which starts in the vineyard. Each winemaker is allocated 6 rows from the vineyard, they select the harvest date and the grapes are sent to their winery for processing. The wine is then made by the winemakers, without any influence before being bottled separately and sold. Whilst the quality of the vineyard shines through in all of the wines, so does the personality of each winemaker. All six wines were awarded 96/100 points by James Halliday.

McLaren Vale is a wine region in South Australia, located about 35 km south of Adelaide. McLaren Vale is regarded as the birthplace of the South Australian wine industry and home to some of the world's oldest vineyards. The first vines were planted in 1838 by John Reynell and Thomas Hardy, and the region now has over 80 wineries and 750 grape growers. It is one of the most geologically diverse wine regions in Australia, with six distinct sub-regions and more than 40 soil types.

'The Vale' is well known for its rich red wines, mainly made from shiraz, cabernet and grenache, but more recently home to some innovative wines made from alternative varieties, such as tempranillo, sangiovese, nero d'Avola. White wines, because of The Vale's warmer 'Mediterranean' climate, also lean more to the robust European varieties such as fiano and viognier.

Secret Label McLaren Vale Cabernet Sauvignon 2019 (KSL 5098)

Region: McLaren Vale Rating: 97/100 🍷

This is a gorgeous wine, and my pick of the current new releases, which packs a serious punch. The colour is deep suggesting a big dense style, but the wine is surprisingly light on its feet. Sweet, pure and vibrant blackcurrant fruits are tempered by dried herbs with some sweeter blackberry underneath. Oak is there too but sits in the background. This then leads to a bold and explosive palate full of power and energy - fruit pastille flavours are supported by fine acidity that is all underpinned by significant but well handled tannins. The 2019 (secret name) Shiraz was my pick of the bunch. This is serious, precise and driven and, again, sourced from Whites Valley. The maturation rolls out in 100% French oak. Hand picked and sorted; open fermented with 10% whole bunches; matured in used French puncheons. The perfumed spicy, foresty bouquet catches attention, reinforced by the medium-bodied palate where red cherries/berries have the depth of fruit that others lack. It will build on this foundation through to the end of the decade. Alcohol: 13.5%. Closure: screwcap. Date tasted: Aug 2022. Drink by: 2029. Price: \$38. Rating: 95/100.

Not a 'cookie cutter' standard pinot noir

Rouleux Pinot Noir 2023

Region: Yarra Valley Rating: 95/100 🍷

Wine critic, Angus Hughson, says that "if you don't know the Rouleux Wine Co then now is the time to check them out as it's home to a small range of incredibly well priced wines that are deliciously subtle and understated. These are wines that rarely, if ever, disappoint". The wines are made by young gun winemaker Matt East. More silken and juicy than prior vintages, but ready to drink early with that seductive 'Pinot lift' and fragrance and abundant deep red cherries, blue fruits, rhubarb and tilled earth over subtle malt-like oak. Not a 'cookie cutter' standard pinot noir.

Victorian produces some of the planet's finest pinot noir. The variety is one of the most challenging grapes to grow and make wine from, as it is very sensitive to climate, soil and winemaking techniques. However, when done well, it can produce some of the most elegant and expressive wines in the world.

Victoria has a diverse range of wine regions and climates, from cool and maritime to warm and continental. Some of the best pinot noir wines in Australia come from the five wine regions that surround the state capital, Melbourne. These regions are known as the 'dress circle'. The dress circle comprises the regions of Yarra Valley, Mornington Peninsula, Geelong, Macedon Ranges and Gippsland.

COLDSTREAM HILLS

Coldstream Hills is a winery located in the Yarra Valley, Victoria, Australia. It was founded by James Halliday and his wife Suzanne in 1985. The winery has become a major wine producer in Victoria and has an extensive selection of award-winning Yarra Valley wines.

They are very highly regarded for their beautiful pinot noir wines, some of which we feature here for your enjoyment.

A highly expressive regional style

Paringa Estate Peninsula Pinot Noir 2023

Region: Mornington Peninsula
Rating: 94/100 🍷

Paringa Estate is a renowned pinot noir producer in the Mornington Peninsula. The fruit for Paringa Estate's Peninsula pinot is sourced from vineyards around the peninsula. It is a highly expressive regional style with an emphasis on lively fruit. James Halliday remarked that "the quality of these wines are often equal to many other vineyards best". The nose is bursting with lively red cherry aromas and spice. Whilst there is lots of red fruit on the palate, there is an appealing savoury tannin framework which gives structure and length. Great value.

Subtle with fragrant characters of lemon, peach, and hazelnuts. Some floral and melon accents pop out of the glass as the wine warms up. Fine body with a creamy texture. The flavours are varietal and balanced, expressing the central Margaret River/Wilyabrup area terroir and microclimate. CLASSIC CHARDONNAY

Chardonnay is a white grape variety that originated in the Burgundy region of France and is now grown worldwide. It is a versatile and popular white wine that can be made in different styles, from crisp and minerally to rich and oaky.

Modern Australian chardonnays, with some exceptions, lean to the crisper textural styles whereas Californian expressions mainly display creamier, buttery traits.

Kemenys has a great range of chardonnays – try these on for size.

Angullong Chardonnay 2022

The Orange Region is renowned for its cool, elegant Chardonnay. The slow ripening of the grapes ensure an intensity of flavour, with finesse being the key. 100% barrel fermented (7 months barrel aging in 60% American/40% French oak). With a name like The Creamery, it should come as no surprise that this is full-bodied, lusciously rich style of chardonnay. "Another ripper", Phillip Rich

Salo Chardonnay 2022

Region: Yarra Valley Rating: 97/100 🍷👍

From the early 2000s-planted Full Moon vineyard in the Upper Yarra. Natural fermentation on full solids, and no lees stirring or mlf. At Salo, Dave Mackintosh and Steve Flamstead only make one Yarra wine, and the 2022 is another ripper. From a low-yielding vintage, this is slightly more powerful than the 2021 and here you'll find aromas of white nectarines, lemon oil and spice with some marine scents. Intense and richly textured on the palate and balanced by the wine's vibrant acidity and a touch of grip on the finish. By the time this is released in August 2023, this should be singing. BIG REDS

Big rich red wines are a delight to the senses. They are full-bodied, bold and tannic, usually with a good dose of deep, dark fruit flavours, nutty, toasty oak and heroic tannins. Generally they are exceptional cellaring propositions. Sometimes they are very expensive.

It is important to pair big reds with the right foods. They go brilliantly with hearty dishes such as steak, lamb, and stews, as well as with strong blue cheeses and aged cheddar. They can also be enjoyed on their own, as a velvety, fruit-rich relaxer after a long day.

Here is a carefully curated selection of big reds which should have you covered for choices.

The man who began it all

Penfolds The Noble Explorer Shiraz 2017

Region: South Australia **Rating:** 94/100 🍷

The noble explorer is Christopher Rawson Penfold, the man who began it all. A doctor, with an eye for winemaking, he and his wife Mary sought a new calling in Australia. They found it in Magill Estate. Here, Christopher planted vines and set in motion philosophies that would remain with Penfolds to this day. Wine critic Huon Hooke says "deep red/purple colour, with a reserved but clean chocolate bouquet and a full-bodied, rich, nicely rounded palate, which is smooth and supple and yet full-bodied and ample. The wine is generous and approachable and also has a future in the cellar" and recommends a drinking window for another decade.

Hewitson Mad Hatter Shiraz 2020

Region: Barossa Valley **Rating:** 95/100 🍷

Yet another superb Barossa Shiraz, again from the powerful 2020 vintage, this one is from a single vineyard. The darkest magenta, we have notes of plush, dense chocolate. Lokoya Mount Veeder Cabernet Sauvignon 2014

Region: Napa Valley **Rating:** 99/100 🍷🍷

The 2014 Cabernet Sauvignon Mount Veeder is beautifully complete, with a layered, multi-dimensional, elegant profile that's more structured than the Diamond Mountain, yet more seamless and approachable than the Howell Mountain. Creme de cassis, Asian spice, smoked earth, incense and sandalwood note all flow to full-bodied Cabernet Sauvignon that has no hard edges, ultra-fine tannin, incredibly purity of fruit and a great finish. As with all these 2014s, it's not about huge richness and opulence and more about purity, nuance and balance. Rating: 95/100

Destemmed and crushed to open fermenters; matured for 12 months in French puncheons (10% new). Finesse and elegance are the last words expected for a young cabernet, but they describe this most attractive wine. Has won a string of silver and gold medals. Alcohol: 13.5%. Closure: screwcap. Hidden Label Clare Valley Riesling 2023 (KHL 4955)

Region: Clare Valley
Rating: 94/100

It is a wonderful thing when nature gives a region three cracking vintages on the trot and the Clare Valley has certainly been blessed. The 2023 Rieslings are proving to be just as exciting as its two predecessors. This is pale straw with a nose radiating with citrus, limes, spices and florals, all lovely stuff, full of flavour. This is approachable now but certainly has an exciting future, especially at this price with notes of orange blossoms. Slightly crunchy acidity and a long, lingering, clean finish, which maintains its intensity. Drink over the next six to ten years. Drink: 2023-2033. Price: \$22. Rating: 93/100.

Hidden Label Hunter Valley Chardonnay 2021 (KHL 7859)

Region: Hunter Valley
Rating: 93/100

Made to the same exacting standards as the makers flagship chardonnay (one of Australia's most famous chardonnays). Lovely nose that shows white stone fruit and vanilla oak. The palate is robust with great fruit intensity and texture through the mid-palate, with a soft acid finish. Textbook modern, Hunter Valley chardonnay from an outstanding vintage.

Region: Hunter Valley
Rating: 96/100

Crisp, fresh, slight grassiness, light powdery soft chalkiness through it, and more to lemon than lime in the flavour department. Good length. Zips along. Fresh squeezed lemon juice sweetness plays out on the finish. How's the purity? Tasty now too, though better later. Alcohol: 11%. Closure: screwcap. Date tasted: Jul 17. Drink: 2017-2030+. Terra Felix Heathcote Shiraz 2016

Region: Heathcote
Rating: 95/100 🍷🍷

An extended period in French oak followed a co-fermentation with a dollop of Viognier. This wine shows all the joy that Heathcote Shiraz can offer - a cracker and cracking value. Near opaque, this is richly flavoured with chocolate and spices, the merest whiff of white pepper, along with florals, bay leaves and cloves, with mulberries emerging on the palate. Seamless in structure with very fine, soft tannins plus excellent length. This has a decade ahead of it and a case in the cellar will reward. Date tasted: March 2023. Drink: 2023-2033. Price: \$35. Rating: 95/100.

Stonefish Sauvignon Blanc 2023

Region: Margaret River
Rating: 95/100 🍷🍷

The new Stonefish cellar-door is ultra-impressive, located in the Margaret River's golden circle with Cullen and Pierro. This is an exciting Margaret River savy in a style far removed from Marlborough. It was made by Bruce Dukes who is one of West Australia's star winemakers. Appealing mix of fresh tropical fruit, rockmelon, pineapple and white peach but nothing overly herbaceous. Its crisp and refreshing. It is wines like this that will see straight Margaret River sauvignon blanc continue to grow in popularity.

Claymore Voodoo Child Chardonnay 2022

Region: Clare Valley
Rating: 93/100 🍷🍷

Produced from the tiny yields of Claymore's 80+ year old vines grown on a single vineyard at Watervale. The conditions of 2022 were mild and cool, affording the luxury of crisp natural acidity and tight aromatics; the wine has been given a partial malo-lactic fermentation contributing a softness to the palate. Light French oak adds further complexity making it well suited to be enjoyed with food. As with all Claymore wines this is exceptional value.

Longview Vineyard Devil's Elbow Cabernet Sauvignon 2020

Region: Adelaide Hills
Rating: 94/100 🍷🍷

An appealing magenta in colour, the nose here is dry herbs, florals, blackberries, cigar box notes, hints of bell peppers and much more. A classic cooler-climate Cabernet, done extremely well. The nicely fragrant nose moves on to a well-structured wine, finely crafted. This is balanced with very good length, good acidity and excellent focus. A hint of bacon fat emerges on the palate, with the darker fruits. With firm tannins, this should have no trouble in providing excellent drinking over the next ten years. Date tasted: April 2022. Longview Vineyard Vista Grigio Gruner 2022

Region: Adelaide Hills
Rating: 94/100 🍷🍷

When we first saw the label, we weren't sure (but thought what the heck let's give it a go). Italy meets Austria. Wow! Punchy and exciting, the wine jumps out of the glass with freshly picked nettles, spice and pine-lime aromatics. The invigorating palate is all pizzazz; upfront sherbet, then spicy poached pear with mouth-watering acidity, finishing with remarkable texture and length. A bright and brisk wine ready to go right now but, but as with Gruner Veltliners, it will be interesting to see how it develops into a serious, aged wine. Kudos to Longview - they have nailed this.

From a single vineyard in the Coal River Valley. An enticing exoticism is lifted by all the best attributes of botrytis - orange blossom, apricot, loquat and fig, along with a subtle palate viscosity and not a hint of the bitterness that all too often sneaks in. It smells like an Australian summer, offering floral aromas hugged by citrusy undertones, with a palate that surprises with every sip. Winner of the trophy for the Best Rosé at the National Cool Climate Wine Show. We think this is exclusive to Kemenys customers and cellar door - always nice. An insanely picturesque vineyard on the River Derwent, no expense spared in the winemaking facilities and midas touch of winemaker Jasper Marais. Riversdale is already known for making Tasmania's most awarded syrah and here we have those prized grapes used to produce this stunning rosé. Bright confectionery pink.
