

HOW MUCH DO YOU KNOW?

© The Owl Teacher

These colorful slides are digital and editable so you can type in your own concept on the flag along the top.

How much do you know?

DID YOU INCLUDE:

- ☐ details and evidence to support your answer?
- ☐ proper grammar usage and mechanics?
- ☐ correct spelling?
- ☐ important vocabulary?

You can also type in a question along the top portion of the slides for your students to respond to.

It comes with a checklist for students along the side to remind them to check their work for details, grammar, spelling, and important vocabulary!

Make multiple copies of the slides for as many questions as you need!

The set comes with 7 slides total. The colors are red, orange, yellow, green, blue, purple, and pink.

These slides are included FREE in the Science Writing Prompts for the Whole Year. You can find that here.
