The image shows three overlapping music worksheets. The top worksheet is titled "LINE NOTE FLURRIES" and features a snowman illustration. It includes a "Name" field and a grid of six bass clef staves, each with a line note and a corresponding empty box for the student to write the note's name. The middle worksheet is titled "MISSING" and includes a "Name" field and a question: "Which hat belongs on each of the hats?" Below this are three staves with musical notes and hats. The bottom worksheet is titled "SNOWMAN SPELLING" and includes a "Name" field and a question: "Name these notes to reveal the music spelling words." It features two columns of treble clef staves, each with a note and an empty box. At the bottom of the bottom worksheet, there are six snowman illustrations with letters A, B, C, D, F, and G on their bodies. Copyright notices for Melody Payne are visible at the bottom of each worksheet.
