**CORNERD  
BEEF**

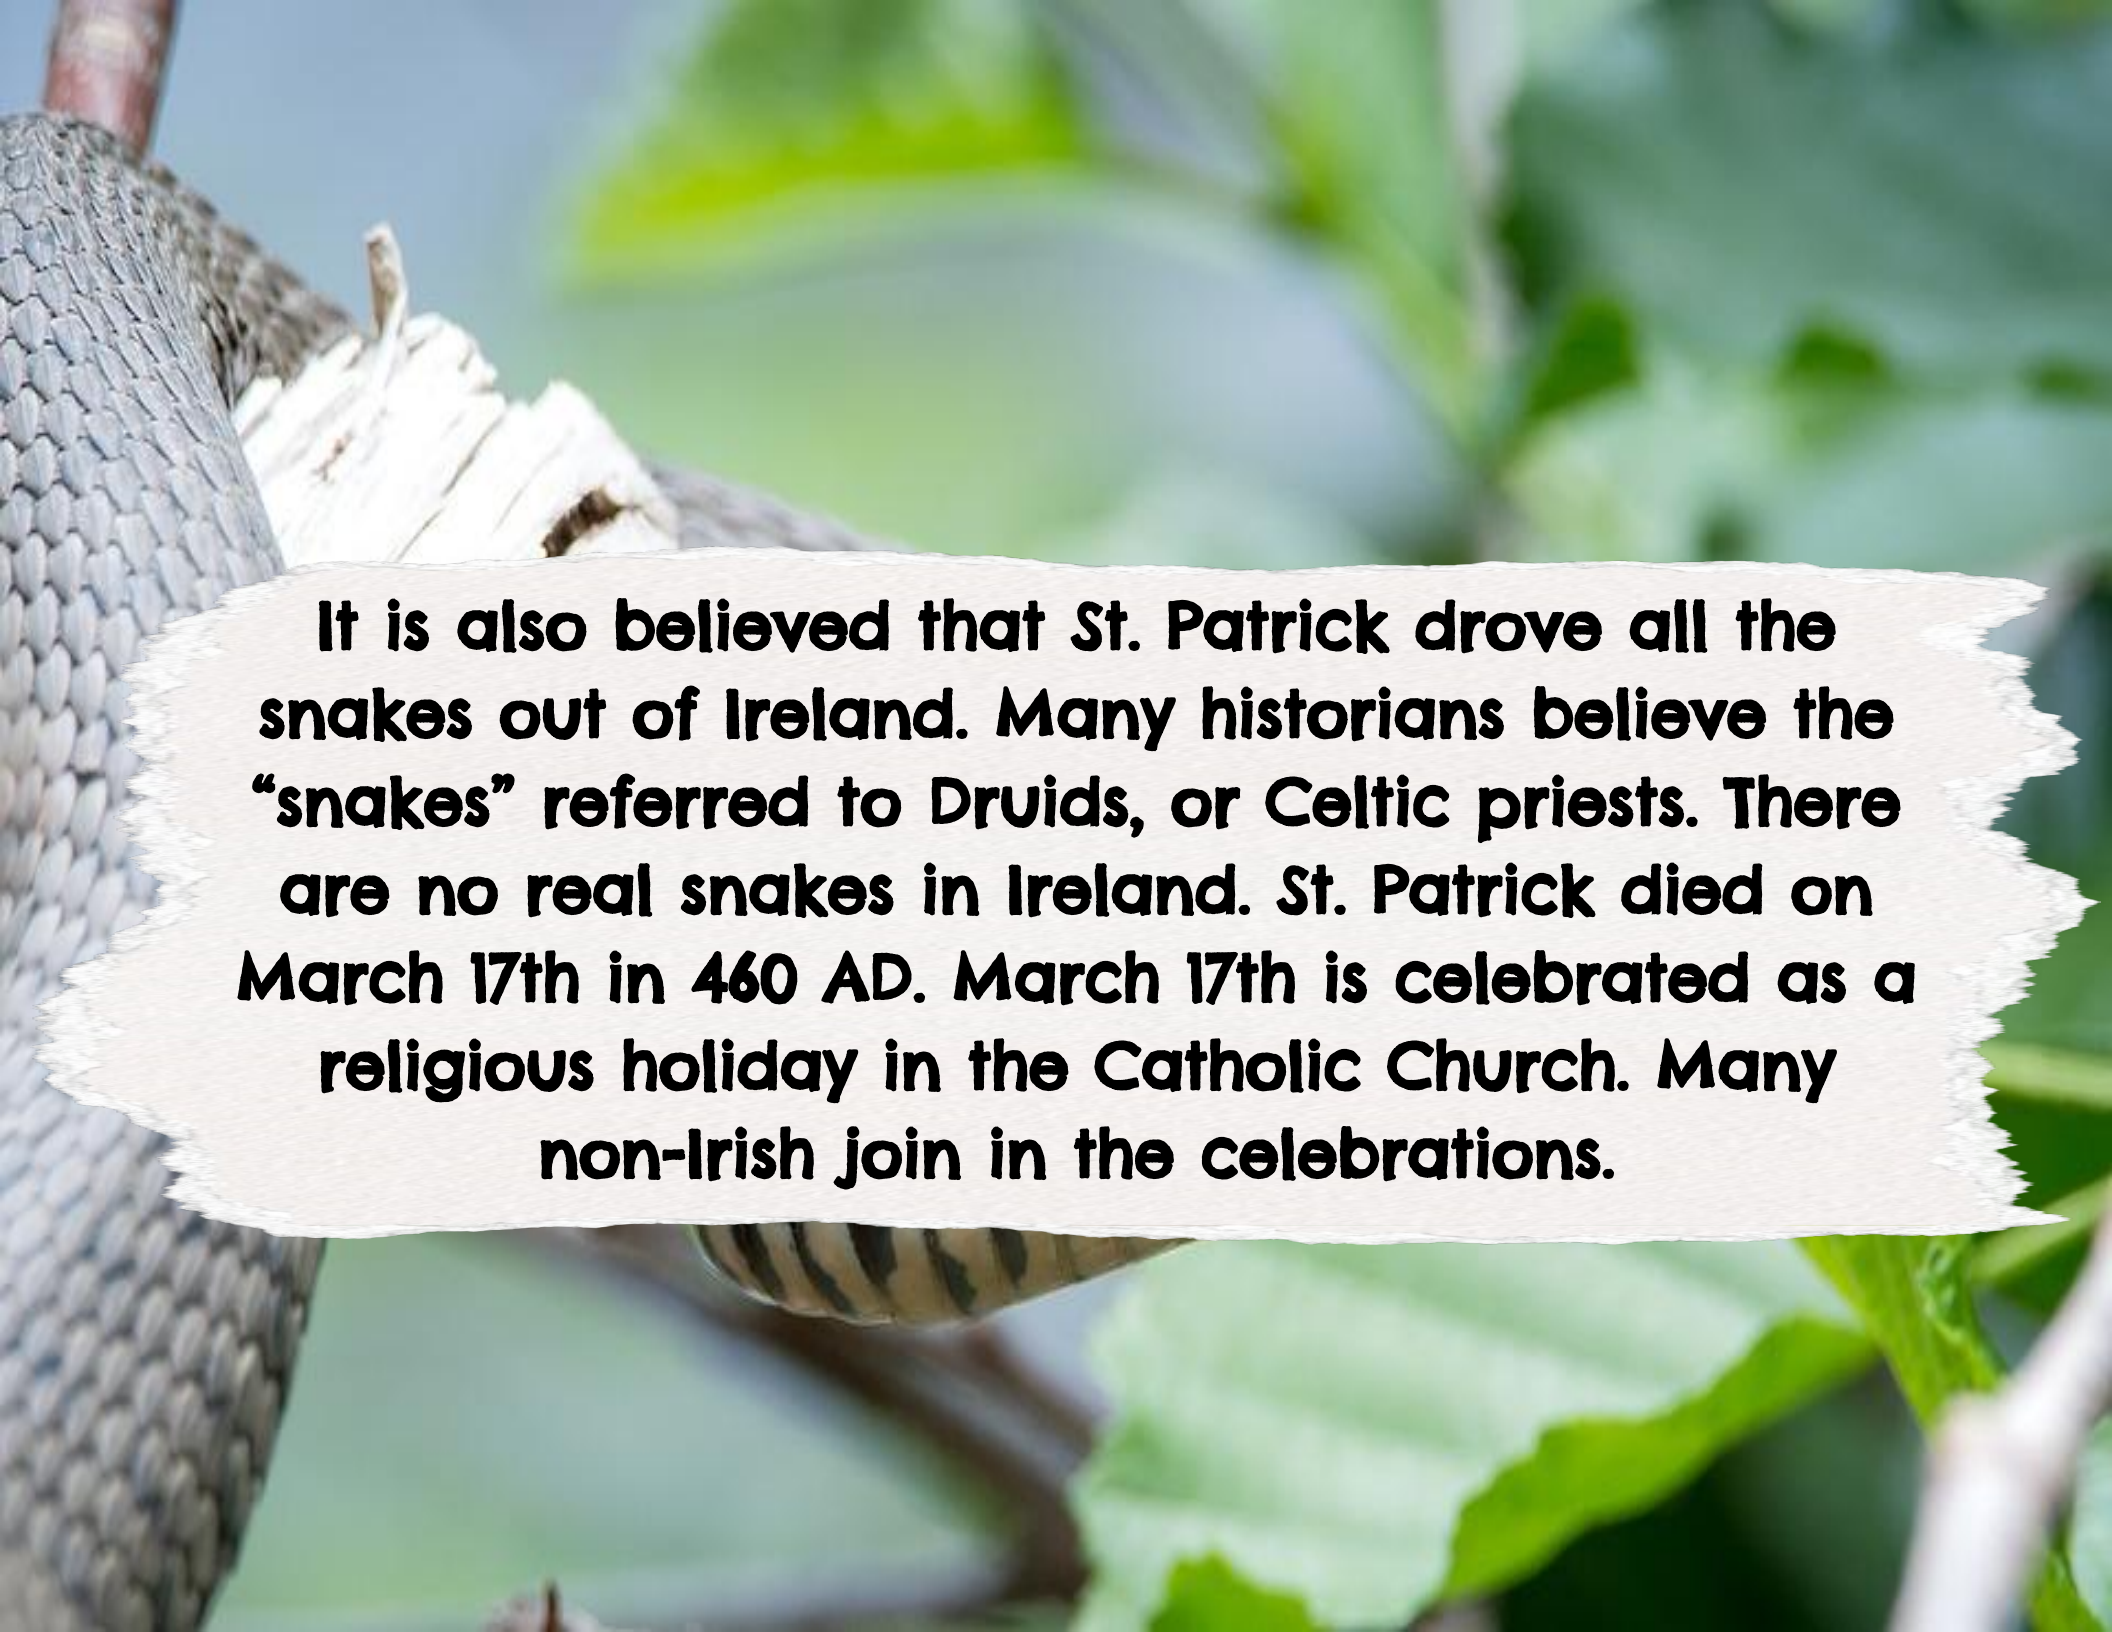

A scenic view of the Cliffs of Moher in Ireland, featuring a white text box with a torn edge containing text about St. Patrick's Day. The background shows a dramatic coastline with steep, dark cliffs meeting the ocean under a cloudy sky. The text is centered within the white box.

**St. Patrick's Day, the national holiday of Ireland, is celebrated annually on March 17th in countries around the world. Saint Patrick's Day is a cultural and religious celebration. It marks the death date of the patron saint of Ireland, Saint Patrick.**

**Saint Patrick's Day is a cultural and religious celebration.**

**TRUE**

**FALSE**

**It is also believed that St. Patrick drove all the snakes out of Ireland. Many historians believe the “snakes” referred to Druids, or Celtic priests. There are no real snakes in Ireland. St. Patrick died on March 17th in 460 AD. March 17th is celebrated as a religious holiday in the Catholic Church. Many non-Irish join in the celebrations.**

**It is also believed that St. Patrick drove  
all the \_\_\_\_ out of Ireland.**

**A. Spiders**

**B. Bats**

**C. Snakes**

**A leprechaun is a small Irish fairy that makes shoes. He wears green pointed shoes, a hat and a leather apron. Many believe that leprechauns live alone in the forest. Supposedly, they are unfriendly and spend their day guarding their treasures.**
