wolf Palatine Remus  
king myths

Ancient Rome ruled Europe for about 1,000 years. Before that time, the history of Rome is not quite known. Sometimes the stories are based on history while other stories are based on \_\_\_\_\_ . Historians have determined that Rome began around 1000 BC on \_\_\_\_\_ Hill. Six other hills were settled as well: the Aventine, Caelian, Capitol, Esquiline, Quirinal, and Viminal. Augustus, Antony, Cicero, Caesar, and the most wealthy and famous Romans eventually settled in Rome, Italy. Mythology states that the twins \_\_\_\_\_ and Romulus founded Rome in 753 BC. The two brothers were said to be twin sons of Mars, the Roman god of war. The story goes that the twins were left near the banks of the Tiber River as infants where they were rescued and raised by a \_\_\_\_\_. The myth also highlights how Romulus killed Remus and became the first \_\_\_\_\_ of Rome.

# 9 CHALLENGES

After successfully completing each challenge students will earn a number for the final lock code.

Nice job sleuth!

# 6 PASSAGES

STUDENTS WILL READ 6 SHORT PASSAGES ABOUT THE TOPIC,  
THEN ANSWER QUESTIONS.

Caesar was nominated as the high priest of the Roman god Jupiter, the king of all the other gods, the equivalent of the Greek god Zeus and married Cornelia. Then, the Roman ruler Sulla proclaimed himself dictator of Rome. Because of his belief in giving more representation to lower class citizens of Rome, Caesar was run out of the country. Sulla also ordered Caesar to divorce Cornelia because her family was an enemy. Caesar refused and was targeted as an enemy. His mother's family smoothed over his return to Rome, but Caesar lost his position and joined the army. Caesar proved himself to be an excellent soldier. Because of his bravery and valor, Caesar was promoted and successful. However, when Sulla died, he left the army and went back to Rome to try his hand at being an orator, or lawyer.
