Ancient China was one of the longest lasting ancient civilizations and one of the most advanced at the time.

There were 13 dynasties in ancient China beginning with the Xia dynasty and ending with the Qing. An emperor or king rules and then the heir takes over upon the ruler's death — usually the eldest son. The Great Wall of China covers most of the northern border of

China. It is a series of walls running in an east-west line. The Great Wall began to be built by the Qin Dynasty.
