6 PASSAGES

Thomas Jefferson is most famous for his role as a Founding Father and principal author of the Declaration of Independence. He is also remembered for his presidency from 1801 to 1809, during which time he authorized the Louisiana Purchase and worked to expand westward. Jefferson is one of four presidential faces on Mount Rushmore, a massive granite sculpture in South Dakota.

Jefferson was born into a wealthy family in Virginia on April 13, 1743. He attended the College of William and Mary in 1760. During this time, he was known for his exceptional writing skills and his interest in politics. He became involved in a secret society called the Flat Hat Club, which was dedicated to intellectuals.

After graduating, Jefferson became a lawyer and quickly became involved in politics. In 1769, he was elected to the Virginia House of Burgesses and became a vocal supporter for American independence.
