

POETRY ACTIVITIES BUNDLE

Engaging Poetry Lessons & Activities for Grades 3-5

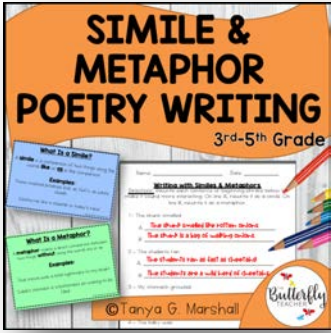

CONTENTS AT A GLANCE

Resource

What it Provides:

Resource

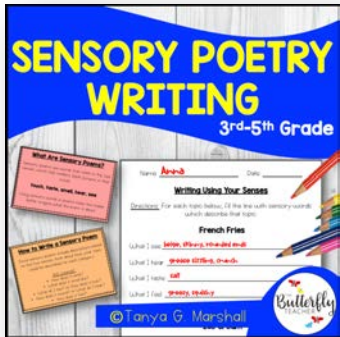

What it Provides:

Full lesson plans with essential questions and activities that help students identify similes and metaphors in poetry. It also gives students practice writing their own poetry using similes and metaphors.

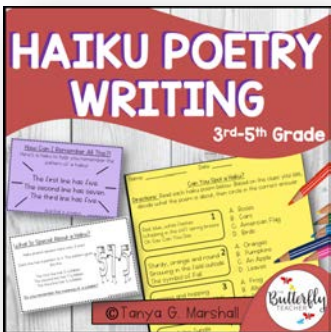

Graphic organizers and other activities that can be used with ANY poem you need during any time of the school year!

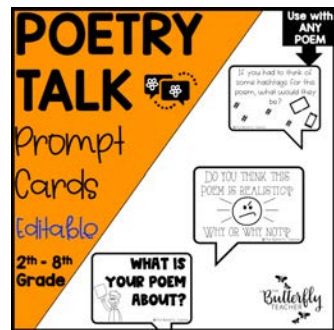

Collaborative or individual student practice identifying and applying sensory language to poetry. Students will understand the way descriptive language impacts the meaning of a poem.

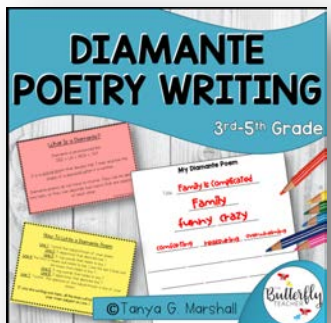

Poetry Talk Sentence Stems gives students starter sentences to help them appropriately discuss any poem they read in class. This resource is editable.

Engaging activities, task cards, and rubrics designed to help students know what a haiku poem is and how to write their own haiku poetry.

Poetry Talk Prompt Cards gives students questions that they can ask each other about different poems they read in class. This will keep them on task as they engage in poetry discussions.--Editable

Writing templates, lesson plans, and activities geared toward helping students understand diamante style poems.

All resources in this poetry bundle are standards aligned.

POETRY ACTIVITIES BUNDLE

Engaging Poetry Lessons & Activities for Grades 3-5

SKILLS & STANDARDS AT A GLANCE

- Read and comprehend poetry.
- Explain figurative language that poets use to create images.
- Compose literary texts such as poetry using characteristics and details related to the type of poem being written.
- Identify different types of poems.
- Identify the structural elements related to poetry such as rhyme scheme, meter, stanza, line breaks, etc.
- Students will know how to analyze and interpret different types of poems.

These are just some of the skills & standards covered in this bundle.

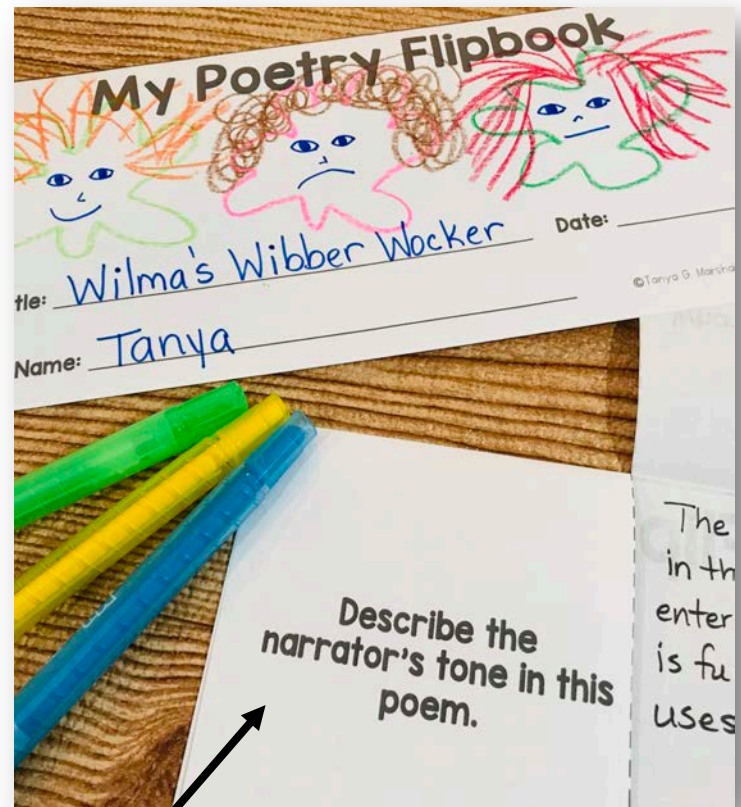

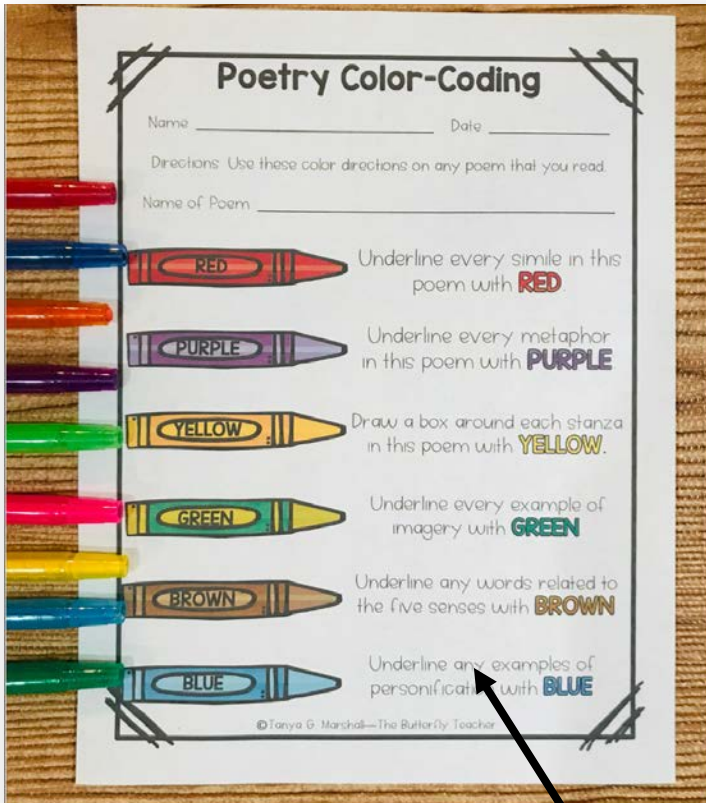

These resources work great for multi-grade classes or if you have upper elementary students performing on a range of different academic levels.

This bundle also helps you scaffold your poetry instruction, which makes differentiation easier.

You will also find:

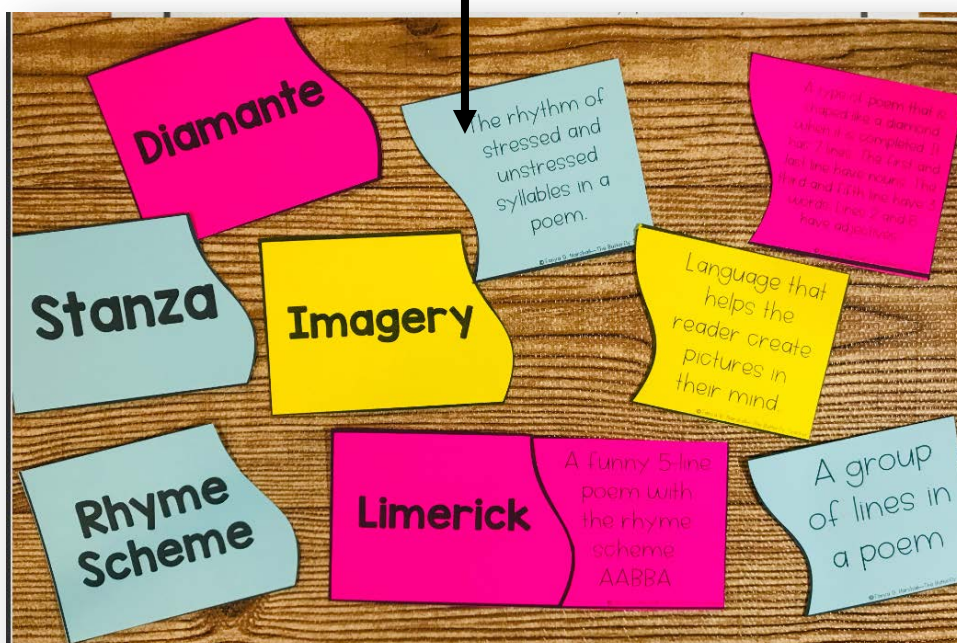

- Power Point Slideshows for whole class mini-lessons
- Rubrics to make grading poetry easier
- Student activities that can be used during whole group or poetry centers

More Details on this Poetry Bundle:

Several **NO-PREP** poetry activities that can be used to enhance different poetry reading skills.

PLUS, hands-on collaborative activities such as this vocabulary poetry puzzle game.
