**9** **SET 2**  
Directions: Read the place value riddle carefully. Then write the answer on your response sheet.

I am more than 80,  
but I am less than 85.

I am an even number.

When you add 1+1, you will  
get the number in my  
ones place.

What number am I?

©Tanya G. Marshall--The Butterfly Teacher

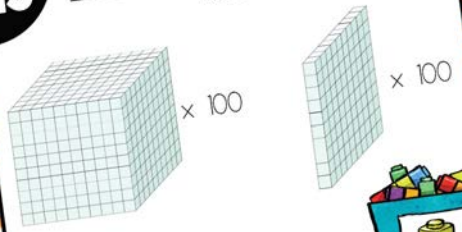

**19** Directions: Choose the correct math vocabulary word to match the example or definition.

Example: hundreds,  
tens, ones--  
an outline that  
organizes the  
position of each digit  
in a number
