# Vocal explorations help students warm up their singing voices and follow different melodic contours

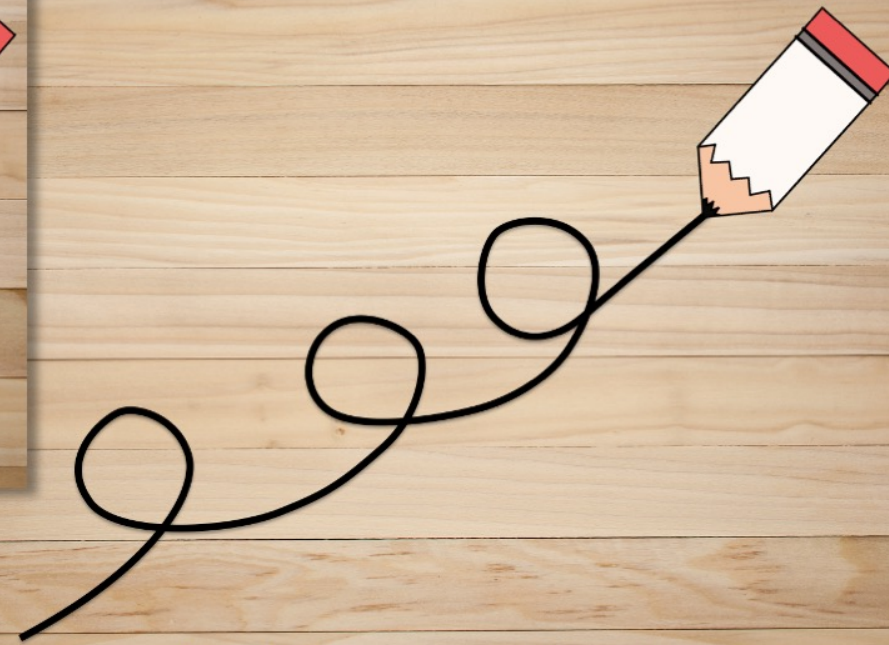

## LET'S WARM-UP!

Let's explore our voices by singing lines and shapes.

Did your voice go higher, lower, or stay the same?

Give students a fun pointer or baton to follow the lines as they sing

Easy singing patterns help students feel comfortable with the pitches they'll use to compose

**SING THE PATTERN**

If we drew the shape of this pattern, how would it look?

This really takes the guess work out of composing for my students!! Colorful and easy to use. – Andrea H.

**Challenge** students by asking them to sing the pattern both forward and backward

Guidelines break composing down into small, easy steps that students can follow

### LET'S COMPOSE!

1. Think of and sing a pattern using Do, Re, & Mi.
2. Your pattern should have four beats and begin with Do.
3. Arrange your composing cards to match the pattern you sang.

#### STUDENT CHOICE CHALLENGE

- ❖ Sing your pattern forward and backward
- ❖ Compose a new pattern and sing it
- ❖ Add rhythms to your composition

#### STUDENT PERFORMANCE CHOICE

- ❖ Share your composition with a partner
- ❖ Share your composition with the class
- ❖ Share your composition with the teacher

**Differentiate** your lesson by asking students to compose using four or eight beats

Students drag and drop pitches to create compositions in Google Slides™
